"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war,

omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power. 'Where have you been all our lives, Mindy?' Glamour Mindy Kaling has lived many lives: comedienne, actress, obedient child of immigrant professionals and, now, writer. With a blend of witty confessions and unscientific observations, Mindy writes about everything from being a timid young chubster afraid of her own bike to living the Hollywood life, dating, friendships and planning her own funeral - all executed with several conveniently placed stopping points for you to run errands and make phone calls. 'Hilarious' Elle The sixth book in the Jack Parlabane series, from author Christopher Brookmyre. Life is dangerous when you have everything to lose. Famous, beautiful and talented, Heike Gunn has the world at her feet. Then, one day, she simply vanishes. Jack Parlabane has lost everything: his journalism career, his marriage, his self-respect. A call for help from an old friend offers a chance for redemption - but only if he can find out what happened to Heike. Pursued by those who would punish him for past crimes, Parlabane enters the world of Heike's band, Savage Earth Heart, a group at breaking point. Each of its members seems to be hiding something, not least its newest recruit Monica Halcrow, whose possible relationship with Heike has become a public obsession. Monica's own

story, however, reveals a far darker truth. Fixated on Heike from day one, she has been engulfed by paranoia, jealousy and fear, as she discovers the hidden price of fame. From Berlin to Barcelona, from the streets of Milan to remote Scottish islands, Parlabane must find out what happened before it's too late, all while the walls are closing in on him... Poetry. In her biggest, most varied selection of poems, *A GIRL GOES INTO THE WOODS*, Lyn Lifshin's intimate, intense, startling poems range from the adolescent experiences any young (or not so young) woman can identify with, to the roller coaster ride of agony to ecstasy of relationships. In her unique and magical way she explores the complicated, mysterious, ambivalent relationship between mothers and daughters, that constantly changing braid of pain and joy, of control and rebellion and then the reverse, as the daughter becomes the mother and the deaths of stages of the relationship continue. The book takes us into the immigrant experience, the ravages of Auschwitz, to Hiroshima, Vietnam, Iraq and September 11 as well as natural disasters like Katrina, the 2005 Indonesia tsunami, the Japanese tsunami and the 2010 Haiti earthquake. She lets us into the world of mad girls, Madonnas, dancers and shares secrets of poets from Robert Frost, who praised her early poems, to Dylan Thomas and Garcia Lorca. Lifshin gives us moments in Paris, Quebec, the Caribbean and Costa Rica and plunges us into the beauty of Southwestern ruins, quiet New England snowscapes, Midwestern roads with a radio playing and special moments with horses and cats, summer lakes and the firefly filled nights in the town in which she grew up. It wasn't until Libby Phelps was an adult, a twenty-five year old, that she escaped the Westboro Baptist Church. She is the granddaughter of its founder, Fred Phelps, and when she left, the church and its values were all she'd known. She didn't tell her family she was leaving. It happened in just a few minutes; she ran into her house, grabbed a bag, and fled. No goodbyes. Based in Topeka, Kansas, the Westboro Baptist Church community is one the country's most notorious evangelical groups. Its members are known for their boisterous picketing—their zealous members with anti-military, anti-Semitic, and anti-gay signs—"Thank God for Dead Soldiers," "God Hates Jews," or

"Thank God for 9/11"—and their notorious catchphrase "God hates fags." Search for them online and you're directed to their website, [www.godhatesfags.com](http://www.godhatesfags.com). The church makes headlines in news across the country. You've driven past its picketers or seen them on TV. It has seventy members and ninety percent of them are part of Libby's family. They picket concerts, football games, other churches, and, most notoriously, the funerals of servicemen and victims of hate crimes. For its members, to question its rules is to risk going to hell—where worms eat at your body and fire shoots out of your eyeballs. In *Girl on a Wire*, Libby is candid about her experience and what's happened since her escape. On *Anderson Cooper Live*, she was confronted by the mother of a soldier whose funeral had been picketed, and had to respond. Despite it all, she cares for her family. Her grandfather's sermons were fear mongering, but she loves him. This unusual memoir presents a rare, inside look into a notorious cult, and is an astonishing story of strength, bravery, and determination. In een stadje bij Londen raakt een vrouw betrokken bij de verdwijning van een andere vrouw. Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy. In this side-splitting memoir, the former *Saturday Night Live* star recounts the hilarious adventures and unexpected joy of dating and becoming a mother when she least expected it—at the age of forty-four. Anyone who saw an episode of *Saturday Night Live* between 1999 and 2006 knows Rachel Dratch. She was hilarious! So what happened to her? After a misbegotten part as Jenna on the pilot of *30 Rock*, Dratch was only getting offered roles as "Lesbians. Secretaries. Sometimes secretaries who are lesbians." Her career at a low point, Dratch suddenly had time for yoga, dog-sitting, learning Spanish—and dating. After all, what did a forty-something single woman living in New York have to lose? Resigned to childlessness but still hoping for romance, Dratch was out for drinks with a friend when she met John. Handsome and funny, after only six months of dating long-distance, he became the inadvertent father of her wholly unplanned, undreamed-of child, and moved to New York to be a dad. With riotous

humor, Dratch recounts breaking the news to her bewildered parents, the awe of her single friends, and the awkwardness of a baby-care class where the instructor kept tossing out the f-word. Filled with great behind-the-scenes anecdotes from Dratch's time on SNL, *Girl Walks into a Bar...* is a refreshing version of the "happily ever after" story that proves female comics-like bestsellers Tina Fey and Chelsea Handler are truly having their moment. ?Decisions, decisions...OCO Your best friend is getting married, and sheOCOs asked you to be her bridesmaid. So many decisions: for starters, do you ask the gorgeous mystery man you met online to come as your date? Or do you go solo to check out the talent? Once the country wedding weekend gets going, all kinds of adventures are on offer. Will you ditch your date? Duet with the dishy DJ? Dodge the disreputable best man? Or perhaps the rugged pilot you meet in the bar will open up unexpected erotic opportunities ? and who knew the maid of (dis)honour had such a sultry streak? All this while dealing with the bachelorette party, the brideOCOs jitters, the Dress From Hell, and more. Perhaps the most tempting option is to flee with a tall, dark stranger ? or maybe an old friend surprises you with a sizzling encounter. You make the decisions ? you choose the happy ending. ItOCOs your fantasy. Your rules. " I beg the young woman to breathe as I desperately try to save her life. I catch a glimpse of her face and it's like looking in a mirror. We have the same chestnut hair, the same heart-shaped face. She is gripping rose petals, like she had been holding a bouquet. Wake up, please, you could be my sister... My mother disappeared when I was a child, and my father refused ever to speak about her. When I'm called to the scene of a crime and look into victim Ann Hart's pretty face, it sends shivers up my spine. I've never met her before, but we could be related. Am I investigating the murder of my own little sister? I know I will never rest until I find the person who did this, but it seems that Ann's killer is not done yet. First someone breaks into my apartment when I am asleep. And then he sends me a bouquet of blood-red roses just like the ones Ann was clutching... I'm leading the case, but am I also the next victim? Just when I think I've got a handle on Ann's killer, he strikes again. I am standing in the freezing morgue as the

white sheet is pulled back. It's Bert Gibbons, my close friend and a local journalist who was investigating Ann's death. I know it's a warning: don't come any closer or you'll be next. Can I catch this deadly killer or am I just a dead girl walking? Readers are utterly hooked on *Dead Girl Walking!* "I absolutely devoured this book!... Completely been captivated... I need more. David Dyer's astonishing novel *The Midnight Watch* is based on the true story of the SS Californian, the ship that saw the Titanic's distress rockets and yet, unfathomably, did nothing. A psychological thriller. Sometimes the smallest of human failings can lead to the greatest of disasters On a wretchedly cold night in the North Atlantic, a steamer stopped in an icefield sees the glow of another ship on the horizon. Boston American reporter John Steadman lays eyes on the man who stood the midnight watch on the Californian, he knows there's another story lurking behind the official one. Herbert Stone must have seen something, and yet his ship did nothing while the calamity took place. Now Stone, under his captain's orders, must carry his secret in silence, while Steadman is determined to find it out. So begins a strange dance around the truth by these three men. Haunted by the fifteen hundred who went to their deaths in those icy waters, and by the loss of his own baby son years earlier, Steadman must either find redemption in the Titanic's tragedy or lose himself. running away from her mother's insanity. Right when things look their worst though, Skye is helped by Mol, a pagan who becomes her true friend, and Lorri, a graceful volleyball player with whom she finds real love. From them she learns how to feel authentic emotions in a culture of poseurs and New Age charlatans. From the New York Times bestselling author of *The Last House Guest*—a Reese Witherspoon Book Club pick—comes a riveting new novel of psychological suspense about a young woman plagued by night terrors after a childhood trauma who wakes one evening to find a corpse at her feet. Everyone knows the story of "the girl from Widow Hills." Arden Maynor was just a child when she was swept away while sleepwalking during a terrifying rainstorm and went missing for days. Strangers and friends, neighbors and rescue workers, set up search parties and held vigils, praying for her safe return. Against all odds, she was found, alive, clinging to a storm drain. The girl from Widow Hills was a living miracle. Arden's mother wrote a book. Fame followed. Fans and fan letters, creeps, and stalkers. And every year, the anniversary. It all became too much. As soon as she was old enough, Arden changed her name and disappeared from the public eye. Now a young woman living hundreds of miles away, Arden goes by

Olivia. She's managed to stay off the radar for the last few years. But with the twentieth anniversary of her rescue approaching, the media will inevitably renew its interest in Arden. Where is she now? Soon Olivia feels like she's being watched and begins sleepwalking again, like she did long ago, even waking outside her home. Until late one night she jolts awake in her yard. At her feet is the corpse of a man she knows—from her previous life, as Arden Maynor. And now, the girl from Widow Hills is about to become the center of the story, once again, in this propulsive page-turner from suspense master Megan Miranda. From critically acclaimed Director and Screenwriter, Ana Lily Amirpour comes the graphic novel spin-off of her 96% Certified Fresh on Rotten Tomatoes feature-length debut, *A Girl Walks Home Alone at Night!* Strange things are afoot in Bad City. Collects the first two standalone stories. It's the future. But only slightly. There are blackouts. No one knows what's causing them, but that doesn't stop people going missing in them. Now Steph and Bell, a schoolgirl and barmaid, have to search for their missing friend, until the outside world starts infecting the theatre that stands around them. Schoolgirl Steph walks into the seedy, empty bar where Bell works. Bell is dressed with everything short and low, and there are no longer any regulars at her bar. Whatever has happened to create this dystopian world remains a mystery, but we learn that there are frequent blackouts, people regularly go missing and women are being killed. Steph is looking for her friend Charlotte, a girl who also at some point walked into Bell's bar but then went missing. The relationship between Bell and Charlotte is unclear, as her conversations with Steph shift between truth, lies and fantasy. In this tense atmosphere, where there is a sense of growing fear, the play "forces the audience to turn detective not just to track down the elusive Charlotte but also to find meaning itself" (*The Guardian*). *A Girl in a School Uniform (Walks into a Bar)* is the third play by award-winning playwright Lulu Raczka and was produced at the West Yorkshire Playhouse in 2017 and the New Diorama

Theatre in 2018. Super-stylist Katie Grand is fashion's contemporary heroine. This book is a visual history of her fearless career and looks to the future as she embarks on her new venture, *The Perfect Magazine*. Influential, visionary, daring, cool: Katie Grand has been setting fashion's agenda for close to 25 years. Her career trajectory begs the question: Is there anything Grand can't do? The gap-toothed former editor in chief of the era-defining English glossy *LOVE*, Grand has worked with and styled for the coolest brands and magazines of note. In this exceptional volume devoted to a career of singular moments that have redrawn the boundaries of style—including pivotal editorials, magazine covers, advertising campaigns, runway, and private ephemera—Grand mines her rich past and tells us the story, in words and pictures, of her early rock 'n' roll years at *The Face* and *Pop* to becoming a key player on the global fashion stage to championing what were to become some of the biggest names in fashion (Cara Delevingne and Kendall Jenner). She gives us behind-the-scenes access to the stories and scandals behind some of contemporary fashion's most provocative photos. When Phebe Hedges, a woman in East Hampton, New York, walked into the sea in 1806, she made visible the historical experience of a family affected by the dreaded disorder of movement, mind, and mood her neighbors called St. Vitus's dance. Doctors later spoke of Huntington's chorea, and today it is known as Huntington's disease. This book is the first history of Huntington's in America. Starting with the life of Phebe Hedges, Alice Wexler uses Huntington's as a lens to explore the changing meanings of heredity, disability, stigma, and medical knowledge among ordinary people as well as scientists and physicians. She addresses these themes through three overlapping stories: the lives of a nineteenth-century family once said to "belong to the disease"; the emergence of Huntington's chorea as a clinical entity; and the early-twentieth-century transformation of this disorder into a cautionary eugenics tale. In our own era of expanding genetic technologies, this history offers insights into the social contexts of medical and scientific knowledge, as well as the legacy of eugenics in shaping both the knowledge and the lived experience of this disease. A sophisticated coming-of-age memoir tracing a modern Holly Golightly

Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing. Lisa Smith was a bright, young lawyer at a prestigious firm in NYC in the early nineties when alcoholism started to take over her life. Smith describes how her spiraling circumstances conspired with her predisposition to depression and self-medication, nurturing an environment ripe for addiction to flourish. *Girl Walks Out of a Bar* is a candid portrait of alcoholism through the lens of gritty New York realism. Beneath the façade of success lies the reality of addiction. When your friend cancels on your girls' night out at the last moment, you suddenly find yourself all dressed up and alone at an exclusive bar. What do you do now?
