Fascinating, affordable to the average fisherman, and one of the few fields whose collectibles can be showpieces as well as functional equipment. Light tackle tips and techniques for fishing the Chesapeake Bay including full color photographs, fishing reports, and conservation methods for landing big fish on light tackle Russell E. Lewis, author of three volumes of Modern Fishing Lure Collectibles, has produced a new title that will be a handy resource for lure lovers everywhere. Field Guide to Fishing Lures is aimed at assisting the beginning, intermediate, and advanced collector and the general antique and collectible dealer in identifying both collectible older vintage lures and the more modern classic fishing lures. It includes a cross-section of both very old and more recent collectible lures and has prices of each lure shown. With the help of this easy-to-tote guide, collectors will be able to recognize all major categories of lures and the most significant companies in the industry while hunting for additions to their collections. The book begins with the six major companies, Creek Chub Bait Company, Heddon, Paw Paw, Pflueger, Shakespeare, and South Bend. Then an alphabetical listing of more than 200 companies highlights other significant manufacturers and their major contributions. The book continues the tradition of high quality, detailed photographs useful in identifying small nuances important in lure collecting, as well as the author's practice of providing historical data for readers. 2005 values. This remarkable book contains over 800 color photos, depicting every type of lure ever produced by the Creek Chub company. Plus there are many other fishing collectibles featured, as well as charts, historical pictures, and catalogs. The hottest area of modern fishing lure collectibles is, without doubt, Heddon plastic lures, yet little has been published on them, and demand for an identification and price guide is very high. Lure expert Russell Lewis meets that demand with this new reference, Heddon Plastic Lures. & break;& break; 1,500 collectible lures produced by the groundbreaking lure manufacturer from the company's beginning in 1924 to 1984 when the company was sold, are shown in full color for easy identification, accompanied by current collector pricing. In addition, the book includes catalogs, color charts and advertising, as well as historical information on Heddon as a company and tips on collecting. Whether it comes from the Black Lagoon, Krypton, or the distant future, it's a science fiction collectible. Now, for enthusiasts who are as dedicated as they are numerous, comes an instant education on today's hottest science fiction, horror, and fantasy books. FISHING TACKLE ANTIQUES & COLLECTIBLES PRE-1960, is the best reference for evaluation & identification of fishing paraphernalia: lures, rods, reels. This 315-page book pictures 7500 items, with 103 pages in color. There have been over 20,000 books sold in 2 years, with advertising by "word of mouth." This book will be another "Shooter's Bible" on fishing tackle, as that one is for firearms. Through Karl White's 40 years of collecting, there has been very little not covered prior to WWII. He has the premier collection, valued at 1.5 million dollars & is looking for the right environment for the museum. A must for any collector, fisherman, antique

or tackle dealer & also anyone wanting to go back in time to reminisce on fishing experiences. Quotes B.A.S.S., the biggest fishing organization in the U.S., "Karl's book is 'the bible' for fishing equipment." Anyone who has ventured into this field has either quoted from or used pictures from Karl White & his collection. A definite four-star rating on this book. A real value at \$29.95 plus \$3.00 for shipping & handling. Send check or money order to Karl T. White, P.O. Box 9, Luther, OK 73054. Phone (405) 277-3635, FAX (405) 277-3733. Dealer & distributor discounts. "The long-awaited 8th edition of Old Fishing Lures & Tackle -"the bible for lures collectors"- has been thoroughly updated, combining the time-honored research of the late Carl F. Luckey with essential updates from author Russell E. Lewis. It now features: • More than 2,000 photos include hundreds of new lures. • Among the 5,000 listings is fresh information on related categories like rods, reels, creels and ephemera. • A new section on "recent sales" charts the continued strength of the hobby based on solid auction results. "This book continues to be a must-have resource for any serious collector."-Recommended by AntiqueFishingLures.com" Get hooked on one of the oldest of all collecting hobbies with this go-to-guide of fishing lures. A great pick-up-to-peruse type of book, built for toting to shows and antique shops, this lure reference aids you in your effort to accurately identify, price and better understand the history behind vintage and modern lures from 31 manufactures, starting with the Big Six (Heddon, PawPaw, Creek Chub, Plueger, Shakespeare and South Bend). Collectors have been waiting for the newest book from Dudley and Deanie Murphy. In this volume of more than 3,500 lures shown in full color, the authors address the most collectible fishing lures made since 1940. In addition to the major 'Big Six' companies and miscellaneous lure makers, this volume, for the first time, provides insight into spinning lures, folk art lures, and the rapidly growing area of contemporary collectibles. Considered by collectors to be the most useful reference available on post 1940 vintage antique fishing lures, this volume takes a fresh approach to explaining the hobby. The reader will quickly discover the combination of significant historical information, realistic values, and crisp photography in a concise presentation to be a real asset in lure identification and values. This book is sure to be the most complete and convenient single volume on fishing lures available today. 2006 values. Collecting spear fishing decoys is rapidly gaining popularity. Over 350 color photos of commercial decoys from both major and minor manufacturers. Decoys from more than 100 companies in both the United States and Canada. A must for decoy lovers. "This book tells the history of the Fred Arbogast Company, Incorporated. It highlights inventions that were connected with the firm, as well as adds new insight into some products including the Jitterbug, Hula Popper, and many more. Throughout this book, former company employees are highlighted. Their stories are told as related to the business and their significance is noted throughout this volume"-- Back cover. Reprint of the original, first published in 1867. An inside view of a community of extraordinary people: the leading collectors, dealers and auctioneers of antique fly fishing tackle. Covering the collectible lures of the six most popular lure manufacturers in North America - Heddon, South Bend, Paw Paw, Pflueger, Creek Chub and Shakespeare, this full-color book is the most comprehensive identification and price guide available! This book features a history of each manufactures, with nearly 2,000 listings of the most collectible lures on the market, complete with up-to-date pricing and a brilliant color photos. No collector will want to be without this glorious tribute to the fishing lures of yesterday. A history, identification, and value guide of fishing lure collectibles from 1940 until the mid 1980s, including lures, reels, rods, decoys, and miscellaneous items. Anglers are always fascinated with fly fishing's golden age, and nothing brings back those years as vividly as a fine old rod and reel bearing the honorable scars of a lifetime afield. Classic & Antique Fly-Fishing Tackle features in-depth coverage of traditional gear from the 1860s to the 1920s, and affordable production tackle from the 1930s to the 1960s. Campbell discusses the history, design, construction, fishing characteristics, and identification of gear, and offers tips on future collectibles; he adds specific instructions for the care and repair of antique and classic tackle. (8 1/2 x 11, 368 pages, color photos, b&w photos, illustrations)A. J. Campbell has been collecting, restoring, dealing in,

and fishing with antique and classic tackle most of his life. He a contributing editor for Saltwater Sportsman and lives in Maine. This is an exciting new guide to a never-before-documented field of antique fishing collectibles. It includes hundreds of color photos (many items are shown actual size), patent drawings, and clear, precise computer scans of patented spring-loaded traps, hooks, and lures, most of which have never been pictured, discussed, or valued in any book. These ingenious American inventions span the time period from pre-Civil War until the 1970s, with values ranging from \$10.00 to \$10,000.00. The book provides a written and visual history of spring-loaded fishing devices along with descriptions and explanations of their mechanisms in concise, easy-to-understand language that the beginning, intermediate, and advanced collector has not had access to in any book. This long-awaited book on Americana collectibles sets a new standard in the field of collecting antique fishing memorabilia. Written by the country's two foremost collectors and experts in the field, this informative, fascinating book is a must for anyone interested in the history of fishing in the United States, antique fishing memorabilia, or metal traps. In the world of sports, golf stands unique. Its memorabilia goes back over two centuries and it offers collectors an enormous breadth of items to accumulate, much at very affordable prices. The 750 color photographs in this volume provide an introduction to the different categories of golf collectibles. Antique golf clubs and balls, the heart of the game, are covered in detail. Books about golf, comics, old photographs, postage stamps, postcards, jewelry, ceramics, silverware, and toys from the United States and Britain show how golf themes have been incorporated into the form of everyday items for over a century. Museum quality pieces are presented along with items still available at flea markets and swap meets. This book guides the collector on a tour of the many facets of golf and demonstrates that there is still plenty of opportunity to develop a collection of golf items. Written for sportsmen and collectors of fishing lures and tackle, this sixth edition features more than 3,000 listings with price ranges and more than 2,400 large photos. 64-page color section. Beginning in the mid to late 1800s, firms such as J.T. Buel, W.D. Chapman, and the Enterprise Manufacturing Company produced lures that rivaled their overseas counterparts both in quantity and quality. This book provides a written and visual history of these and many other American lure companies. Collectors will enjoy this complete history of several of America's earliest fishing lure manufacturers - prior to 1901. 2000 values. An entertaining overview of vintage fishing gear, this book takes you back in time to fishing's golden age. Remember when the lakes were constantly full and the rivers ran a little faster each year? Memories of your favorite fishing hole will come flooding back when you take a look through the gorgeous photographs included in Classic Fishing Lures and Tackle. Stunning artwork completes this nostalgic look at the sport of fishing, including intricate still life photographs of collectible lures and flies, fish spearing decoys, bobbers and sinkers, plus period ads and literature. Do you have a fishing enthusiast in your life? Or are you more interested in taking up fishing as a hobby during retirement? Whether you grew up fishing or are just curious about the early years of the sport, Classic Fishing Lures and Tackle is a joy to look through with classic lures and tackle as well as modern pieces. Female fisherman will love this book just as much as fathers and grandfathers do. With information on all the classic manufacturers, such as Heddon, Pflueger, Shakespeare, South Bend, and Orvis, this makes the perfect gift for yourself or the fishing enthusiast and collector on your giving list! Progressing from simple implements of bone, stone, and wood to metals to the elaborately feathered flies of the Victorian era, antique fishing lures are now sought as highly prized collectibles. This edition has hundreds of new photographs and much new information not included in the first edition. Chapters include the 'big ten' companies, miscellaneous companies, metal lures, handmade lures, and finally the seldom seen experimental lures. Concerned primarily with the most collectible antique fishing lures made before 1940, this deluxe hardbound book contains well over 1,300 lures beautifully reproduced in full color. Research and identification will be simple yet effective with these descriptions, sizes, dates, 2001 values, and quick comparisons of similar features of lures... AUTHORBIO: Dudley Murphy decided to become a lifelong collector of fishing lures at the age of 13, when his grandfather presented him with a gift of old Heddon, Jamison, and Clark lures. As one of the three founders of the National Fishing Lure Collector's Club, Dudley is an active collector with a variety of interest, including fishing. AUTHORBIO: Rick Edmisten was introduced to fishing at age 12 by his father, and by the time he was 18 had developed a keen interest in collecting old lures and tackle. He has hosted a successful fishing tackle collectible show from 1990 to the

present, and is recognized as an authority on old tackle. He often appraises estates and collections. REVIEW: This book focuses on the "big ten" companies, metal lures, handmade lures, and the seldom seen experimental lures, and emphasizes antique lures made before 1940. Each section begins with a short introduction about the company, followed by vivid, representative color photographs that the company made. Each photo lists the name of the lure, number, date manufactured, length, collector value, and any important notes or details about the lure. Steelhead legend Lani Waller covers the essential elements of fishing for trophy steelhead with prose as beautiful and surprising as the fish themselves. The blend of how-to and why-to not only captures the essence of these elusive fish but also uncovers what it takes to consistently bring them to hand. Waller shares his techniques for swinging wets and waking dry flies, including proper approach, presentation, and his favorite fly patterns, both classic and contemporary. Chapters on hunting trophies, equipment, casting, and conservation provide readers with a life's worth of wisdom learned from his time on the water. Waller brings along some of his friends to help contribute to the book. Steelhead expert Bob Hooton's chapter on steelhead biology is a concise overview of the steelhead's life cycle, biology, and behavior; artist Dave Hall illustrates Waller's swinging techniques; and photographer Ken Morrish's stunning images capture the magic of the fish and the rivers they ascend each year. This all-star cast of steelhead fanatics has created a classic book that honors the fish as well as those who chase them, whether in the Pacific Northwest of United States, the wilderness streams of British Columbia, or the hundreds of tributaries that run into the Great Lakes. From the publisher of Old Fishing Lures & Tackle, the industry standard in fishing collectibles, comes a book devoted to helping collectors identify any fishing collectible! From rods and reels to fish decoys and bait buckets, this must-have reference will easily hook any fishing collectibles enthusiast. This full-color book delivers descriptions, value, history and dates of collectibles in a familiar and reliable format. There is also information on manufactures and over 2,000 photos for easy identification and greater appreciation! Collectors and fisherman alike will not want to be without this informative and detailed resource. Ed Van Put begins this important book with the history of native brook trout and offers little-known details about their sizes, range, and demise from over-fishing, the growth of streamside industries, and the introduction of competitive species. Sweeping in its scope, Trout Fishing in the Catskills tells a thorough tale of the often tumultuous history of fishing in the Catskills. With a scope of over a century, Van Put tells of the Catskill's frontier fishing beginnings and tracks the rise, fall, and eventual revival of the fisheries. Throughout, this is a history of people and methods as well as rivers, and there are profiles of Theodore Gordon, Art Flick, Harry and Elsie Darbee, Sparse Grey Hackle, and more. No serious trout fisherman, in any part of the country, will want to miss this pioneering portrait of a seminal region in American angling history. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home. A collector's guide to rods, reels, lures, decoys, art & accessories, and guidelines. Fully illustrated throughout in full color. "The Abu Ambassadeur 2500C, 1500C & related models." Robert A. Slade, after collecting old fishing tackle since 1958 and contributing articles on old fishing lures for a collector magazine for several years started researching and writing books in the 1990's. He published the HISTORY & COLLECTIBLE FISHING TACKLE OF WISCONSIN in 1999 which sold 4,500 copies. Bob realized that even though there have been many books published on the subject of old fishing lures that few books covered any detailed history on the old lure makers. His latest book writing project was nine years in the making and covers over 100 years of lure making history starting in 1875 and covers over 2,500 lures makers throughout all of North America. THE ENCYCLOPEDIA OF OLD FISHING LURES MADE IN NORTH AMERICA is the first publication with extensive history and patent information on old lure makers and the first to include extensive coverage on Canadian lure makers. The author traveled to 11 states and 3 Candian Providences visting collectors homes, newspaper archives, museums and other sources and has taken over 10,000 pictures in preparing the historical stories for these books. The set of books arranges for the individual and

company lures makers to appear in alphabetical order. People purchasing these books can buy any one single book, a whole set, or even a book a month if they desire as the books will be printed and shipped on demand. Each book has over 400 pages of text, pictures and collector values with each book containing a table of contents and index as well as a master index for the complete set of books. There are more than 1,800 lures presented from many manufacturers with heavy emphasis on Creek Chub Bait Co., Heddon, South Bend, Shakespeare, and Pflueger. In addition to the many illustrations presented by company, there are a complete index, tips on displaying your collection, and other collecting trivia. Every illustrated lure has complete descriptions, and a price range to reflect today's exciting collecting trends. The Enterprise Manufacturing Company, better known as Pflueger, was the first of the Big Five lure companies to be founded, and was the largest well into the twentieth century. Pflueger's popularity flourished because the company offered quality products that caught fish. Today, those products have endured the test of time and are highly collectible. This book details the Pflueger history from its founding in 1881 through 1952. Every lure and reel found in Pflueger catalogs and the literature are listed, described, and dated. Approximately 700 photos include not only lures and reels, but also details of Pflueger product characteristics. This book is a valuable resource for the beginning collector as well as those who are looking for unique items to round out their collections. Discussions and pictures of catalogs, patents, and advertising are also included, bringing further understanding of The Pflueger Legacy. 2007 values. For many people, especially those who came of age after landmark civil rights legislation was passed, it is difficult to understand what it was like to be an African American living under Jim Crow segregation in the United States. Most young Americans have little or no knowledge about restrictive covenants, literacy tests, poll taxes, lynchings, and other oppressive features of the Jim Crow racial hierarchy. Even those who have some familiarity with the period may initially view racist segregation and injustices as mere relics of a distant, shameful past. A proper understanding of race relations in this country must include a solid knowledge of Jim Crow—how it emerged, what it was like, how it ended, and its impact on the culture. Understanding Jim Crow introduces readers to the Jim Crow Museum of Racist Memorabilia, a collection of more than ten thousand contemptible collectibles that are used to engage visitors in intense and intelligent discussions about race, race relations, and racism. The items are offensive. They were meant to be offensive. The items in the Jim Crow Museum served to dehumanize blacks and legitimized patterns of prejudice, discrimination, and segregation. Using racist objects as teaching tools seems counterintuitive—and, quite frankly, needlessly risky. Many Americans are already apprehensive discussing race relations, especially in settings where their ideas are challenged. The museum and this book exist to help overcome our collective trepidation and reluctance to talk about race. Fully illustrated, and with context provided by the museum's founder and director David Pilgrim, Understanding Jim Crow is both a grisly tour through America's past and an auspicious starting point for racial understanding and healing.
