SOMEONE LIKE YOU is the story of a man and a woman who fell in love, married, and divorced in their youth - only to try to rebuild relationship years later. A brilliantly written, triumphant tale of love lost and regained, this is Judith

McNaught at the height of her craft: dramatic, romantic, suspenseful, witty, and absolutely compelling. Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work. A world where there are two kingdoms, Fire and Water, a battle rages, and Fire is winning. The realms are suffering the imbalance of power, and it doesn't help that a Fire Queen sits on the throne in the Water Realm. Celine is the forgotten princess of Clearwater Kingdom. Cursed by her sister, Celine's powers are locked inside her, and she is imprisoned far away on the edges of the Earth Realm. She offers herself up to the Elementals Gods, to help Earth, Wind, and Water, defeat Fire. By uniting the three elements, Celine has a chance for her freedom, her kingdom, and for love. Will the Elements get Celine across the Earth Realm alive? And if so, will they all be together when they do? Get ready for a daring adventure romance with paranormal magic and creatures based on the mythology of the four elements, earth, wind, fire, and water. This paranormal romance is a slow burn Reverse Harem but has a very erotic scene. Book One: The Water Princess Book Two: The Stolen Princess Book Three: The Rising Queen Book Four: The Elemental Queen Standalone Five: The Fifth Element "The next full-moon night is coming, and I really don't want to be a rogue. I need someone to help me, by having sex with me!" The Alpha murmured desperately. \*\*\* Heller was an Alpha, and he already had a mate that he loved, Mira, but now he was desperately in need of a new one. Mira was in the hospital, in a coma for a year, but that was not the main reason for Heller to find a new mate. The main reason was more complicated—he was supposed to have sex with his new and fated mate during the next full moon and quieten and placate his wolf, to make him less disturbing and destructive, and most importantly, stop himself from turning to a rogue. On that rainy Monday morning, Heller met his fated mate, Leah. "It was ridiculous that the Moon Goddess would choose someone like her to be my mate! She didn't even know she got werewolf blood running in her veins! She just thought she

was a damn human!" But for Leah, wasn't this whole thing more ridiculous? Could she end up being Heller's Luna? Or just his sex tool? Exhausted by the futility of her efforts against the city's endemic problems and the revolving door of violence in her Chicago emergency room, Dr. Miranda Campbell came home to Wishful, where she knew she could make a real difference in people's lives. Between her clinic, a rotation in the hospital's ER, volunteer work at the new women's shelter, and time spent with family and friends, her life is full. But it's not too full to notice a sexy lawman when she sees one. Former US Marshal Ethan Greer is still settling into the job as Wishful's new Chief of Police, but he's starting to realize it may be years before he'll ever be considered one of the locals. Fair enough. He's the first to admit that making the shift to small town policing is a big adjustment. After losing his marriage and almost his life in line of duty, the slow pace of Wishful is a change he's happy to make. While Miranda's and Ethan interest in each other is mutual, he's not sure about taking on a serious relationship. That's just fine with her. But when Miranda is targeted in an escalating chain of threatening events, Ethan's Marshal instincts go on overdrive. Miranda's rose-colored view of Wishful is putting her in danger. She's become more than a casual fling or a job responsibility. With Ethan's training screaming at him to put her in protective custody, can he find out who's behind the threats before he pushes Miranda away? Author Interview Q: What makes the Wishing For A Hero series special? Wishing For A Hero is a collection of southern romance novels honoring my Mississippi roots. When I started my core Wishful Romance series, I set out to highlight everything that I love about living in the small town South--all our quirks, foibles, and dreams provide a fabulous (and often funny) backdrop to contemporary romances about stubborn, independent women and the men who love them. But not every story fit that lighter side. Wishing For A Hero novels are still small town romance stories, but they've got a darker tone and an edge of suspense. Q: Who would dig these books? Wishing For A Hero is a southern romance series written for anyone looking for

love in a small town--with a dose of suspense. Clara's been away for too long. So, after ten great years in London, and with boyfriend Matthew in tow, she arrives home in small-town Castlemoy. The family welcomes her with open arms: her diet-shy mother, her closet-living sister and her actor brother who scratches a living doing voiceover ads for chicken. Not everyone is delighted to see her, though. Jason, her long-ago ex, seems to have old scores to settle. Soon Clara finds herself being watched, followed and manipulated from afar. How can she make him stop? And as Clara's dreams of happily-ever-after begin to shatter, will she be able to wrestle her life back? BOOK ONE IN THE D&S SECURITY SERIES. Shelby Taite, restless and bored with her high society life, decides to go on an adventure and see how the other half lives. She hops a bus (dragging no less than five suitcases) and ends up in her chauffeur's hometown of East Wapaneken. Quinn Delaney (ex-cop turned bodyguard) is sent to watch over and protect Shelby, but not interfere with her great adventure. What ensues is a laugh-a-minute good time. Mary Shane comes home from school one day to find her mother beaten to unconsciousness, this leads her on a perilous journey to find her father, the man that has spent her entire life on the run, always nothing more than a shadow. She must play his deadly game, become the very darkness he hides in, if she ever wants to have a chance at the love she found and the normal life she used to take for granted. As Mary Shane makes her way into the deadly world her father lives in, a world where people have seemingly magical powers and always seem to be one step ahead of you, she discovers that maybe his frequent disappearances and constant paranoia were justified. She finds herself forced to make dangerous decisions and do things she never in her worst nightmare had to face. With the government chasing her every footstep, she must find her father before they do if she ever hopes to survive this wild ride and earn the right to live. She discovers that everything she's ever experienced is because of her father and as she begins to put the pieces together she wonders if there is more to this story than anyone else knows. A richly imagined portrait of an immigrant woman in the heady and unpredictable first half of the twentieth century. Sweeping and panoramic, You Were There Before My Eyes is the epic and intimate story of a young woman who chafes at the stifling routine and tradition of her small, turn-of-the-century Italian village. When an opportunity presents itself for her to emigrate to America,

her hunger for escape compels her to leave everything behind for the gleaming promises that await her and her young husband in Mr. Ford's factories. Determined to survive, and perhaps even thrive, young Jane finds herself navigating not just a new language and country, but a world poised upon the edge of economic and social revolution—and war. As Jane searches for inner fulfillment while building young family, the tide of history ebbs and flows. From the chaos of Ellis Island to the melting pot of industrial Detroit, *You Were There Before My Eyes* spills over with colorful characters and vivid period details. Maria Riva paints an authentic portrait of immigrant America and poignantly captures the ever evolving nature of the American dream. *Stars in My Eyes* is a revealing and entertaining collection of celebrity portraits, rendered both in acute drawings and in finely observed prose. In the 1970s and 1980s, internationally known artist Don Bachardy made portraits from life, depicting the actors, writers, artists, composers, directors, and Hollywood elite that he and his partner Christopher Isherwood knew. He then made detailed notes about these portrait sittings in the journal he has kept for more than forty years. The result is a unique document: we enter the mind of the artist as he records the images and behavior of his celebrity subjects—from Ruby Keeler and Barbara Stanwyck to Jack Nicholson and Linda Ronstadt—during their often intense collaboration with him. Finalist, Lambda Book Award Classic and cutting-edge writings on games, spanning nearly 50 years of game analysis and criticism, by game designers, game journalists, game fans, folklorists, sociologists, and media theorists. *The Game Design Reader* is a one-of-a-kind collection on game design and criticism, from classic scholarly essays to cutting-edge case studies. A companion work to Katie Salen and Eric Zimmerman's textbook *Rules of Play: Game Design Fundamentals*, *The Game Design Reader* is a classroom sourcebook, a reference for working game developers, and a great read for game fans and players. Thirty-two essays by game designers, game critics, game fans, philosophers, anthropologists, media theorists, and others consider fundamental questions: What are games

and how are they designed? How do games interact with culture at large? What critical approaches can game designers take to create game stories, game spaces, game communities, and new forms of play? Salen and Zimmerman have collected seminal writings that span 50 years to offer a stunning array of perspectives. Game journalists express the rhythms of game play, sociologists tackle topics such as role-playing in vast virtual worlds, players rant and rave, and game designers describe the sweat and tears of bringing a game to market. Each text acts as a springboard for discussion, a potential class assignment, and a source of inspiration. The book is organized around fourteen topics, from The Player Experience to The Game Design Process, from Games and Narrative to Cultural Representation. Each topic, introduced with a short essay by Salen and Zimmerman, covers ideas and research fundamental to the study of games, and points to relevant texts within the Reader. Visual essays between book sections act as counterpoint to the writings. Like *Rules of Play*, *The Game Design Reader* is an intelligent and playful book. An invaluable resource for professionals and a unique introduction for those new to the field, *The Game Design Reader* is essential reading for anyone who takes games seriously. "Any reader who loves good fiction, mysteries, or even romance would enjoy *The Apple of My Eye*." -Readers' Favorite When Brea Cass, a young mother, is awakened in the night by the news that her loving husband, Paul, has been shot during a robbery, she is stunned. Let the Legends Preach celebrates the past and current legends of black preaching through preserving the sermons that they preached at the Annual E. K. Bailey Expository Preaching Conference. The twenty-four preachers honored in this book received the Living Legend Award for Excellence in Preaching

on account of ministries that impacted hundreds of thousands of people across the nation and around the world. Not only does this book lift up preachers that are familiar to so many, names belonging to the great cloud of witnesses in black preaching over the last fifty years, but it also introduces a new generation of preachers to their powerful stories and homiletical wisdom. Each chapter offers readers short biographical sketches on the life and ministry of the preachers that were honored followed by the sermon that they preached or the lecture that they delivered at the annual conference. Narrated in turns by Claire, Max, and Barkley, *Before My Eyes* captures a moment when possibilities should be opening up, but instead everything teeters on the brink of destruction.
