Tutto bene! is an entertaining and comprehensive multi-level Italian language course for beginners, uniquely designed for both the classroom and a high degree of independent learning. Based on the communicative approach, the course comprises a combination of components in a range of media. Book 1 is for beginners. In this level you will learn the survival language you need to get by in Italy. Learn to greet people and introduce yourself. Get to know someone by discussing where they're from and exchanging contact details. Be able to describe yourself and others. Order food like an Italian and express your likes and dislikes. Arrange an outing or a dinner. Book a hotel room and make sure it has what you need at the right price. Tutto bene! Book 1 provides the perfect balance, enabling you to enjoy the language while developing an understanding of the grammar. It will give you a strong foundation and the confidence to further develop your Italian. The key components for each level of Tutto bene! are as follows: Tutto bene! book The book presents the Tutto bene! course in a format designed primarily for the classroom but accessible to the independent learner and complementary to the app. Each level of the course comprises a book with ten self-contained yet progressively linked lessons. Each lesson is carefully structured to introduce new language via an episode of the sitcom series followed by graduated conversation practise, ranging from limited to more open-ended dialogues where students apply the language they've acquired. Listening and responding activities are integral to each lesson, as are the simple explanations and deductive activities enabling students to understand the grammar. Writing activities are given at the end of every lesson and may be completed in class or later. Tutto bene! sitcom In the Tutto bene! sitcom series we follow an almost-normal group of friends through their quotidian ups and downs living and working in Rome and on holidays in other parts of Italy. The off-beat humour, original soundtrack and idiosyncrasies of the characters in these short episodes are both entertaining and a great stimulus for learning, while importantly also serving to make the language memorable. By viewing an episode multiple times at intervals and particularly before starting a new lesson, students will recognise their progress with the language and gain a sense of accomplishment. The sitcom series is the foundation of the course, with a short episode of under four minutes' duration introducing the new

language and themes for each lesson in the book and on the app. All episodes of the series can be easily accessed in and out of the classroom: search for Lingopont Tutto bene! on YouTube or download the Lingopont Italian app. Lingopont Italian app: Tutto bene! The app delivers the Tutto bene! course in an interactive mobile format allowing maximum learning flexibility. It is both a vibrant alternative to the classroom for wholly independent learners as well as a rich resource for classroom students to further revise, consolidate and practise. The app offers an engaging and culturally-immersive learning experience with instant feedback for students to monitor their progress. With a transparent structure and supported step-by-step learning in all the skills, students have the choice of working progressively through the course or working selectively on a particular area. Each lesson comprises an episode of the Tutto bene! sitcom series followed by vocabulary building, speaking, listening, pronunciation and writing activities and culminates in a quiz. There is also a grammar reference for each lesson. Download the Lingopont Italian app from the app store. Above | Below = Sopra | Sotto Do you understand this first Italian words? Yes, you do! How? This way, you can use short simple words to learn Italian the fun way with the bilingual reading natural method. Using this method, you will quickly start to learn Italian from basics and learn Italian fast by accumulating vocabulary. With this Super Pack of 4 Books in 1 you can Save Money and Learn many words in Italian reading it in your native language and in the language you want to learn. These are the 4 books you get in this Super Pack: [ Book 1 ] - OPPOSITES - 100 OPPOSITE WORDS [ Book 2 ] - ADJECTIVES - 100 ADJECTIVES [ Book 3 ] - OCCUPATIONS- 100 OCCUPATIONS [ Book 4 ] - SYNONYMS - ITALIAN VERSION OF 100 FREQUENT SYNONYMS IN ENGLISH This simple Italian dual language book is a great tool to learn Italian for beginners of all ages. Let's start learning Italian? Meet Anna and Ben, the main characters of BILINGY, encounter their friends and follow them through their life, their careers and their little arguments, sometimes quirky, sometimes lazy and sometimes controversial, just like all of us. BILINGY always has texts side by side in both languages, so you never have to puzzle about the meaning of a sentence, it's right there. New words are highlighted so you can identify them quickly and they are built up systematically over the course of 5 books and 60 chapters. BILINGY goes beyond the basics - it is very easy to find a textbook for beginners, even in the most exotic languages, but beyond that it becomes more challenging. BILINGY

provides a structured way of learning up to C1 in the Common European Framework for Reference for Languages and builds up a vocabulary of more than 1000 words on each level. Audio - listening comprehension is essential in real life - as we all found out the first time we stood there and tentatively tried a 'Where is the toilet, thanks? No, PLEASE, I mean please'. Download the Audio files for texts and vocabulary and use side by side with the book or on the go to immerse yourself fully. Grammar - is suspiciously absent from BILINGY. If you study at school or at uni, there is no way to avoid grammar, but in real life what matters is to understand what is going on and get your message across, then you can worry about the 'future perfect continuous'. Features 12 words to learn - from 'sun' and 'shoes' to 'beach' and 'bed'. Each word is accompanied by an illustration and pronunciation guide. Language is about making connections. It's also about imagining what an airplane would look like with a penis. With over 50 illustrated vocabulary words, this handy tome aims to burn into your visual memory feminine and masculine articles by combining biological gender with grammatical gender. Whether you are a fair-weather language-learner or a multilingual maven, Feminine/Masculine Books: Italian 1 will forever change the way you look at language. Product Details: 70 pages, 50 Italian vocabulary words, published June 2013. A handy 3-in-1 French study book: grammar, verbs and vocabulary in one volume, ideal for beginners who need a clear and easy-to-understand French reference and revision guide. Italy's Alta Via 1, a 180km trail through the Italian Alps following the northern flank of the Aosta Valley, boasts magnificent views of the Alpine giants: Mont Blanc, the Matterhorn, the Grand Combin and Monte Rosa. Indeed, it is sometimes known as the Giants' Trail and can be combined with a sister-route, the Alta Via 2 (covered in a separate Cicerone guide), which runs along the southern flank of the valley, to form the Tor des Géants. Stretching from Donnas to Courmayeur, the Alta Via 1 offers fantastic alpine walking, with welcoming refuges and small hotels providing overnight accommodation (and great food) along the way. The guide presents the route in two sections, for the advantage of those who can't spare the full fortnight-plus needed to walk the entire AV1. The trail is described in 16 stages, with alternative stages covering some popular variants, including an optional detour to visit the famed monastery at the Great St Bernard Pass. Each stage includes clear route description and mapping, plus notes on local points of interest and accommodation options. An alternative itinerary, list of useful contacts, kitlist and glossary can be found in the appendices. The AV1 crosses cols of nearly 3000m as it traverses the side-valleys of the main Aosta Valley. Suited to those with some of experience of alpine trekking, the walking is demanding but without technical difficulty. And the rewards are many: quieter huts, breathtaking vistas and a chance to immerse yourself in fabulous mountain landscapes overlooked by soaring, snow-clad giants. On 6 July 1495 a sudden gunshot came from the right bank of the Taro River in the Gerola Valley, near Fornovo (not far from Parma); shortly afterwards a sky full of clouds unleashed its fury on a wretched battlefield. That gunshot kicked off a battle which changed warfare and represented the starting point of a raging conflict known as the Italian Wars. Francesco II Gonzaga, a brave commander and leader of the League, challenged the fury of the flooding Taro River in a clash against Charles VIII, a contemptuous king who ravaged the peninsula from Piedmont to Campania and spread terror wherever his terrible mercenaries set foot. This volume, *The Italian Wars Volume 1. The expedition of Charles VIII into Italy and the Battle of Fornovo*, offers an accurate analysis of every frantic stage of the battle. The reader will be transported into the heart of battle and exposed to the rumble of thunder and the clash of arms. They will see how the encounter wore out both

sides, leading the opponents to an unclear resolution: both armies claimed victory. The text offers a detailed description of the composition of the armies, the weapons, and the armour, as well as of the heraldry borne by captains and shown on standards. Such analysis is based on the authors' research on Italian and French contemporary documents and pictures. Wonderful painted illustrations are shown on charts, thus delivering an immediate and clear overview of the men and the colours on the battlefield. This updated worktext for high school and college introductory courses emphasizes functional use of conversational and written Italian with extensive use of fill-in exercises, matching columns, word puzzles, dialogues, and more. Students will also get a review of basic grammar, vocabulary, verb forms, idioms, and sentence structure. Additional features include lists of irregular verbs and Italian-English and English-Italian glossaries. Answers for all exercises, quizzes, and puzzles are presented at the back of the book. Line illustrations throughout. *Talk Italian Grammar* is the ideal resource for anyone setting out to learn Italian, at home or in a class.
