Most Americans assume that shared genes or blood relationships provide the strongest basis for family. What can adoption tell us about this widespread belief and American kinship in general? *Blue-Ribbon Babies and Labors of Love* examines the ways class, gender, and race shape public and private adoption in the United States. Christine Ward Gailey analyzes the controversies surrounding international, public, and transracial adoption, and how

the political and economic dynamics that shape adoption policies and practices affect the lives of people in the adoption nexus: adopters, adoptees, birth parents, and agents within and across borders. Interviews with white and African-American adopters, adoption social workers, and adoption lawyers, combined with her long-term participant-observation in adoptive communities, inform her analysis of how adopters' beliefs parallel or diverge from the dominant assumptions about kinship and family. Gailey demonstrates that the ways adoptive parents speak about their children vary across hierarchies of race, class, and gender. She shows that adopters' notions about their children's backgrounds and early experiences, as well as their own "family values," influence child rearing practices. Her extensive interviews with 131 adopters reveal profoundly different practices of kinship in the United States today. Moving beyond the ideology of "blood is thicker than water," Gailey presents a new way of viewing kinship and family formation, suitable to times of rapid social and

cultural change. The American author and creator of the folk character Uncle Remus, Joel Chandler Harris produced a wide body of works, reflecting his life and interests in the Deep South. As a young journalist, he established a reputation as a brilliant humorist and writer of dialect. His Uncle Remus stories secured for Harris a place in American literature. The format was an

instant success – a wise and genial old black man, Uncle Remus narrates tales of Brer Rabbit, Brer Fox and other animals to the son of a plantation owner, while interweaving his philosophy of the world about him. Harris' later novels reveal his ability as a writer of 'local color', exploring important issues facing the South after its Reconstruction. For the first time in publishing history, this eBook presents Harris' complete works, with numerous illustrations, many rare texts, informative introductions and the usual Delphi bonus material. RABBIT AT HOME contains 24 stories and tales of Mr Rabbit, Blue Hen, Brother Wolf, Brother Lion, Mr. Thimblefinger, Chickamy Crany Crow, Sweet Susan, Woog and Weeze, Uncle Rain, Brother Drouth and so many more wonderfully enchanting characters woven together in a tapestry of America's old South. There are also 25 full page pen-and-ink drawings by Oliver Herford sprinkled throughout which bring the stories to life. Some of the stories in this volume are: Where the Thunder lives How a King was Found The Magic Ring The Little Boy of the Lantern The King of the Clinkers How Brother Lion lost his Wool A Mountain of Gold The Rabbit and the Moon The Shoemaker who made but One Shoe The Woog and the Weeze The Fate of the Diddypawn, and more. Mr Rabbit At Home was written by Joel

Chandler Harris in 1895, a full twelve years before he penned the tales of Uncle Remus and Brer Rabbit. It could be said, therefore, that Mr Rabbit at Home was the book which sparked the idea for the consequent Brer Rabbit character and books. Just as the Brer Rabbit books are entertaining, so is Mr Rabbit at Home. Don't be surprised that when you finish reading one of the many wonderful stories from this book, that you feel a tug at your sleeve with a coy request of "'nuther pleaaaaase?" Joel Chandler Harris was born in Eatonton, Ga., on December 9, 1848. Deserted by his father at an early age, Harris dropped out of school and began working as a literary apprentice to help his mother make ends meet. Soon after, he was writing humorous pieces for several Georgia newspapers and in 1876, Harris joined the Staff of the Atlanta Constitution as an editor. Harris is best remembered for writing the Uncle Remus stories. Based on traditional African tales and folklore, the stories feature animal characters, such as Brer Rabbit and Brer Fox, who are endowed with human

characteristics. Some of the Uncle Remus titles include Uncle Remus: His Songs and Sayings, Night with Uncle Remus, Uncle Remus and His Friends, and Uncle Remus and the Little Boy. After his death on July 3, 1908, Harris's home in Atlanta's West End was preserved as a museum called Wren's Nest. The museum got its name from a family of wrens that were found nesting in Harris's rickety old wooden mailbox. 10% of the profit from the sale of this book is donated to charities. =====

Fulfilling a childhood dream, Verl buys an old, abandoned, antique bookstore. During renovation, she comes across a book that contains an intriguing bookmark; the obituary of a little boy named Willie, and a piece of light blue ribbon. Consumed, Verl cannot get the description of his death out of her mind. Picking up the book

to examine it closer, she finds the bookmark was placed in a section dealing with child abuse.
