Nine Horses Sep 29 2020 *Nine Horses*, Billy Collins's first book of new poems since *Picnic, Lightning* in 1998, is the latest curve in the phenomenal trajectory of this poet's career. Already in his forties when he debuted with a full-length book, *The Apple That Astonished Paris*, Collins has become the first poet since Robert Frost to combine high critical acclaim with broad popular appeal. And, as if to crown this success, he was appointed Poet Laureate of the United States for 2001–2002, and reappointed for 2002–2003. What accounts for this remarkable achievement is the poems themselves, quiet meditations grounded in everyday life that ascend effortlessly into eye-opening imaginative realms. These new poems, in which Collins continues his delicate negotiations between the clear and the mysterious, the comic and the elegiac, are sure to sustain and increase his audience of avid readers.

Lift Your Right Arm Nov 24 2022 The five sequences of *Lift Your Right Arm* are minimalist novels of sorts—thought-provoking, mostly deadpan prose that is often darkly humorous. From the stark relationship studies of "Bagatelles" and "Dirty Windows" to the wry observations of "Mr. Deadman" and "A Certain Clarence," the stars of these pieces are Peter Cherches' unique takes on Everyman and Everywoman—dead or alive—navigating a world in which very little is what it seems.

Dog Songs Dec 01 2020 'The popularity of [Dog Songs] feels as inevitable and welcome as a wagging tail upon homecoming' Boston Globe In *Dog Songs*, Mary Oliver celebrates the special bond between human and dog, as understood through her connection to the dogs who across the years accompanied her on her daily walks, warmed her home and inspired her work. The poems in *Dog Songs* begin in the small everyday moments familiar to all dog lovers and become, through her extraordinary vision, meditations on the world and our place in it. *Dog Songs* includes visits with old friends, like Oliver's most beloved dog Percy, and introduces still others in poems of love and laughter, heartbreak and grief. Throughout, the many dogs of Oliver's life merge as fellow travelers and as guides, uniquely able to open our eyes to the lessons of the moment and the joys of nature and connection.

Musical Tables Sep 22 2022 NATIONAL BESTSELLER • From the former United States Poet Laureate and New York Times bestselling author of *Aimless Love*, a collection of more than 125 small poems, all of them new, and each a thought or observation compressed to its emotional essence "Whenever I pick up a new book of poems, I flip through the pages looking for small ones. Just as I might have trust in an abstract painter more if I knew he or she could draw a credible chicken, I have faith in poets who can go short."—Billy Collins You can spot a Billy Collins poem immediately. The amiable voice, the light touch, the sudden turn at the end. He "puts the 'fun' back in profundity," says poet Alice Fulton. In his own words, his poems tend to "begin in Kansas and end in Oz." Now "America's favorite poet" (The Wall Street Journal) has found a new form for his unique poetic style: the small poem. Here Collins writes about his trademark themes of nature, animals, poetry, mortality, absurdity, and love—all in a handful of lines. Neither haiku nor limerick, the small poem pushes to an extreme poetry's famed power to condense emotional and conceptual meaning. Inspired by the small poetry of writers as diverse as William Carlos Williams, W.S. Merwin, Kay Ryan, and Charles Simic, and written with Collins's recognizable wit and wisdom, the poems of *Musical Tables* show one of our greatest poets channeling his unique voice into a new phase of his exceptional career. 3:00 AM Only my hand is asleep, but it's a start.

The Apple That Astonished Paris Apr 05 2021 Bruce Weber in the New York Times called Billy Collins "the most popular poet in America." He is the author of many books of poetry, including, most recently, *The Rain in Portugal: Poems*. In 1988 the University of Arkansas Press published Billy Collins's *The Apple That Astonished Paris*, his "first real book of poems," as he describes it in a new, delightful preface written expressly for this new printing to help celebrate both the Press's twenty-fifth anniversary and this book, one of the Press's all-time best sellers. In his usual witty and dry style, Collins writes, "I gathered together what I considered my best poems and threw them in the mail." After "what seemed like a very long time" Press director Miller Williams, a poet as well, returned the poems to him in the "familiar self-addressed, stamped envelope." He told Collins that there was good work here but that there was work to be done before he'd have a real collection he and the Press could be proud of: "Williams's words were more encouragement than I had ever gotten before and more than enough to inspire me to begin taking my writing more seriously than I had before." This collection includes some of Collins's most anthologized poems, including "Introduction to Poetry," "Another Reason Why I Don't Keep a Gun in the House," and

“Advice to Writers.” Its success over the years is testament to Collins’s talent as one of our best poets, and as he writes in the preface, “this new edition . . . is a credit to the sustained vibrancy of the University of Arkansas Press and, I suspect, to the abiding spirit of its former director, my first editorial father.”

Aimless Love Jun 19 2022 NEW YORK TIMES BESTSELLER “America’s favorite poet.”—The Wall Street Journal From the two-term Poet Laureate of the United States Billy Collins comes his first volume of new and selected poems in twelve years. *Aimless Love* combines fifty new poems with generous selections from his four most recent books—*Nine Horses*, *The Trouble with Poetry*, *Ballistics*, and *Horoscopes for the Dead*. Collins’s unmistakable voice, which brings together plain speech with imaginative surprise, is clearly heard on every page, reminding us how he has managed to enrich the tapestry of contemporary poetry and greatly expand its audience. His work is featured in top literary magazines such as *The New Yorker*, *Poetry*, and *The Atlantic*, and he sells out reading venues all across the country. Appearing regularly in *The Best American Poetry* series, his poems appeal to readers and live audiences far and wide and have been translated into more than a dozen languages. By turns playful, ironic, and serious, Collins’s poetry captures the nuances of everyday life while leading the reader into zones of inspired wonder. In the poet’s own words, he hopes that his poems “begin in Kansas and end in Oz.” Touching on the themes of love, loss, joy, and poetry itself, these poems showcase the best work of this “poet of plenitude, irony, and Augustan grace” (*The New Yorker*). *Envoy Go*, little book, out of this house and into the world, carriage made of paper rolling toward town bearing a single passenger beyond the reach of this jittery pen and far from the desk and the nosy gooseneck lamp. It is time to decamp, put on a jacket and venture outside, time to be regarded by other eyes, bound to be held in foreign hands. So off you go, infants of the brain, with a wave and some bits of fatherly advice: stay out as late as you like, don’t bother to call or write, and talk to as many strangers as you can. Praise for *Aimless Love* “[Billy Collins] is able, with precious few words, to make me cry. Or laugh out loud. He is a remarkable artist. To have such power in such an abbreviated form is deeply inspiring.”—J. J. Abrams, *The New York Times Book Review* “His work is poignant, straightforward, usually funny and imaginative, also nuanced and surprising. It bears repeated reading and reading aloud.”—*The Plain Dealer* “Collins has earned almost rock-star status. . . . He knows how to write layered, subtly witty poems that anyone can understand and appreciate—even those who don’t normally like poetry. . . . The Collins in these pages is distinctive, evocative, and knows how to make the genre fresh and relevant.”—*The Christian Science Monitor* “Collins’s new poems contain everything you’ve come to expect from a Billy Collins poem. They stand solidly on even ground, chiseled and unbreakable. Their phrasing is elegant, the humor is alive, and the speaker continues to stroll at his own pace through the plainness of American life.”—*The Daily Beast* “[Collins’s] poetry presents simple observations, which create a shared experience between Collins and his readers, while further revealing how he takes life’s everyday humdrum experiences and makes them vibrant.”—*The Times Leader*

Sailing Alone Around the Room Apr 17 2022 *Sailing Alone Around the Room*, by America’s Poet Laureate, Billy Collins, contains both new poems and a generous gathering from his earlier collections *The Apple That Astonished Paris*, *Questions About Angels*, *The Art of Drowning*, and *Picnic, Lightning*. These poems show Collins at his best, performing the kinds of distinctive poetic maneuvers that have delighted and fascinated so many readers. They may begin in curiosity and end in grief; they may start with irony and end with lyric transformation; they may, and often do, begin with the everyday and end in the infinite. Possessed of a unique voice that is at once plain and melodic, Billy Collins has managed to enrich American poetry while greatly widening the circle of its audience.

The Poets Laureate Anthology Aug 29 2020 The first anthology to gather poems by the forty-three poets laureate of the United States. Its success was something no one before had ever known. *The Spartacus Road* is the route along which this rebel army outfought the world's finest military forces between 73 and 71 BC, bringing both fears and hopes that have never wholly left the modern mind. Sweepingly erudite and strikingly personal, *The Spartacus Road* is a book like none other--at once a journalist's notebook, a reflection on life's fragility, including the author's own fight against cancer; and a classicist's celebration. As he travels along the Spartacus Road and into the classical Italian landscape, Stothard breathes new life into a singular war in antiquity, recounting one of the greatest stories of the ages.

Questions About Angels Nov 12 2021 Billy Collins has emerged as the most beloved American poet since Robert Frost, garnering critical acclaim and broad popular appeal. Annie Proulx admits, "I have never before felt possessive about a poet, but I am fiercely glad that Billy Collins is ours." This special, limited edition celebrates Billy Collins's years as U.S. Poet Laureate. *Questions About Angels*--one of the books that helped establish and secure his reputation and popularity during the 1990s--is remarkable for its wry, inquisitive voice and its sheer imaginative range. Edward Hirsch selected this classic book for the National Poetry Series, and each of Collins's poems--from his meditation on forgetfulness to his musings on the behavior of angels--is an exploration of

imaginative possibilities. Whether reading him for the first time or the fiftieth, this collector's edition is a must-have for anyone interested in the poet the New York Times calls simply "the real thing."

The Trouble with Poetry Aug 21 2022 Playfulness, spare elegance, and wit epitomize the poetry of Billy Collins. With his distinct voice and accessible language, America's two-term Poet Laureate has opened the door to poetry for countless people for whom it might otherwise remain closed. Like the present book's title, Collins's poems are filled with mischief, humor, and irony, "Poetry speaks to all people, it is said, but here I would like to address / only those in my own time zone"—but also with quiet observation, intense wonder, and a reverence for the everyday: "The birds are in their trees, / the toast is in the toaster, / and the poets are at their windows. / They are at their windows in every section of the tangerine of earth—the Chinese poets looking up at the moon, / the American poets gazing out / at the pink and blue ribbons of sunrise." Through simple language, Collins shows that good poetry doesn't have to be obscure or incomprehensible, qualities that are perhaps the real trouble with most "serious" poetry: "By now, it should go without saying / that what the oven is to the baker / and the berry-stained blouse to the drycleaner / so the window is to the poet." In this dazzling new collection, his first in three years, Collins explores boyhood, jazz, love, the passage of time, and, of course, writing—themes familiar to Collins's fans but made new here. Gorgeous, funny, and deeply empathetic, Billy Collins's poetry is a window through which we see our lives as if for the first time.

The Secret of M. Dulong Feb 03 2021 A search for roots and identity has rarely been captured with such irony, unusual insight, and surprising humor as in this memoir of heartbreak and hope. Today a distinguished American poet, Colette Inez first came to the United States when she was eight years old, as an apparent Belgian orphan escorted by two complete strangers. Growing up in post-World War II America, a stranger to her own past, she survived a harrowing adolescence and an increasingly menacing, abusive adoptive family by learning to define her single solace: a developing passion for literature. Facing possible deportation in the 1950s, Inez set out to prove her claim to U.S. citizenship. The result, as she recounts in this eloquent, wrenching memoir, would span two continents, a trail of discovery, and a buried secret: one that ultimately allowed Inez to reconcile her past and present and finally come of age as an artist.

Living Nations, Living Words: An Anthology of First Peoples Poetry Jan 02 2021 A powerful, moving anthology that celebrates the breadth of Native poets writing today. Joy Harjo, the first Native poet to serve as U.S. Poet Laureate, has championed the voices of Native peoples past and present. Her signature laureate project gathers the work of contemporary Native poets into a national, fully digital map of story, sound, and space, celebrating their vital and unequivocal contributions to American poetry. This companion anthology features each poem and poet from the project—including Natalie Diaz, Ray Young Bear, Craig Santos Perez, Sherwin Bitsui, and Layli Long Soldier, among others—to offer readers a chance to hold the wealth of poems in their hands. The chosen poems reflect on the theme of place and displacement and circle the touchpoints of visibility, persistence, resistance, and acknowledgment. Each poem showcases, as Joy Harjo writes in her stirring introduction, "that heritage is a living thing, and there can be no heritage without land and the relationships that outline our kinship." In this country, poetry is rooted in the more than five hundred living indigenous nations. *Living Nations, Living Words* is a representative offering.

State Verse Culture Feb 21 2020 This dissertation argues that the state is the silent center of poetic production in the United States after WWII. "State Verse Culture" is the first history of the national poet, the Poet Laureate Consultant to the Library of Congress, whose office sits at the nexus of institutional actors of postwar poetry. Drawing on archival research at the Library of Congress and the John F. Kennedy Presidential Library, it traces the collusion of 1) federal bodies (The Library of Congress, The State Department, National Endowment for the Arts) with 2) literary-professional organizations (Poetry Society of America, Poetry magazine/The Poetry Foundation) and 3) private patrons (Paul Mellon, Ruth Lilly). The cooperation of public and private interests is crucial to the development of what I call state verse culture—recognizable at the first National Poetry Festival in 1962, and dominant following the end of the Cold War in the 1990s-2000s. Chapter 1, "State Verse Scandals: Views from Yaddo, St Elizabeths, and the Library of Congress, 1945-1956" narrates the Bollingen Prize controversy of 1949 and the arbitration of literary capital between the Library, Poetry magazine and the university system. Chapter 2, "Inaugurating National Poetry: Robert Frost and Cold War Arts, 1956-1965" argues that the Frost-Kennedy years transformed the function of poetry in national culture. The phonocentric narrative poem provided the expressive agency of artist-citizens as ideological weaponry in the global Cold War, and a blueprint for national poets in the longer project of neoliberal identity formation. Chapter 3, "The Politics of Voice: The Workshop Poet and Poet Laureate as the Expressive Subject, 1965-1993" describes the rise of the creative writing program industry, and argues that the recentralization of poetic production in the academy after WWII is a twofold legacy: the MFA workshop poet and the poet-critic of the English Department constitute distinct cultural roles in postwar America. Chapter 4, "Civil versus Civic Verse: National Projects of U.S. Poets Laureate, 1991-2015," examines Poets Laureate initiatives (Robert Pinsky's Favorite Poem Project, Ted Kooser's American Life in Poetry and Billy Collins's Poetry 180) funded through the state verse culture nexus.

Bar Book May 06 2021 "Nearly knocked me off my metaphoric stool."—Diann Blakely, *Antioch Review* "When Julie Sheehan takes the lyric poem out for a few drinks, everyone winds up talking fast and loose. The lush, agreeably-out-of-style cocktails who take the stage in *Bar Book* . . . [pull] the reader through this artful, wry, and unlikely book's tales of hearts on the rocks and hearts surviving."—Mark Doty

C+nto Nov 19 2019 WINNER OF THE T S ELIOT PRIZE 2021 'Visionary and powerful. I loved it.' Hollie McNish The female body is a political space. C+nto enters the private lives of women from the butch counterculture, telling the inside story of the protests they led in the '90s to reclaim their bodies as their own – their difficult balance between survival and self-expression. History, magic, rebellion, party and sermon vibrate through Joelle Taylor's cantos to uncover these underground communities forged by women. Part-memoir and part-conjecture, Taylor explores sexuality and gender in poetry that is lyrical, expansive, imagistic, epic and intimate. C+nto is a love poem, a riot, a late night, and an honouring.

The Rain in Portugal May 18 2022 The New York Times Bestseller From former U.S. Poet Laureate Billy Collins comes a twelfth collection of poetry offering nearly fifty new poems that showcase his trademark generosity, wit, and imaginative play. The Rain in Portugal - a title that admits he's not much of a rhymer - sheds Collins's ironic light on such subjects as travel and art, cats and dogs, loneliness and love, beauty and death. His tones range from the whimsical - 'the dogs of Minneapolis . . . / have no idea they're in Minneapolis' - to the elegiac in a reaction to the death of Seamus Heaney. A student of the everyday, here Collins contemplates a weathervane, a still-life painting, the calendar, and a child lost at a beach. His imaginative fabrications have Shakespeare flying comfortably in first class and Keith Richards supporting the globe on his head. By turns entertaining, engaging, and enlightening, The Rain in Portugal amounts to another chorus of poems from one of the most respected and familiar voices in the world of poetry.

Whale Day Oct 23 2022 A wondrous collection from Billy Collins, former U.S. Poet Laureate and New York Times bestselling author of The Rain in Portugal "The poems are marked by his characteristic humor and arise out of small, banal moments, unearthing the extraordinary or uncanny in the everyday."—The Wall Street Journal Whale Day brings together more than fifty poems and showcases the deft mixing of the playful and the serious that has made Billy Collins one of our country's most celebrated and widely read poets. Here are poems that leap with whimsy and imagination, yet stay grounded in the familiar, common things of everyday experience. Collins takes us for a walk with an impossibly ancient dog, discovers the original way to eat a banana, meets an Irish spider, and even invites us to his own funeral. Sensitive to the wonders of being alive as well as the thrill of mortality, Whale Day builds on and amplifies Collins's reputation as one of America's most interesting and durable poets.

Land of Stone Oct 31 2020 For more than a decade, Karen Chase taught poetry writing to severely incapacitated patients at a large psychiatric hospital outside of New York City. During that time, she began working with Ben, a handsome, formerly popular and athletic young man who had given up speaking and had withdrawn from social interaction. Meeting on the locked ward every week for two years, Chase and Ben passed a pad of paper back and forth, taking turns writing one line of poetry each, ultimately producing 180 poems that responded to, diverged from, and built on each other's words. Land of Stone is Chase's account of writing with Ben, an experience that was deeply transformative for both poet and patient. In Chase's engrossing narrative, readers will find inspiration in the power of writing to change and heal, as well as a compelling firsthand look at the relationship between poet and patient. As she tells of Ben's struggle to come out of silence, Chase also recounts the issues in her own life that she confronts by writing with Ben, including her mother's recent death and a childhood struggle with polio. Also, since poetry writing seems to reach Ben in a way that his clinical therapy cannot, Chase describes and analyzes Ben's writing in detail to investigate the changes that appeared to be taking place in him as their work progressed. A separate section presents twenty-two poems that Chase wrote with Ben, selected to show his linguistic development over time, and a final section offers Chase's thoughtful reflections on the creative process. Land of Stone will provide honest and valuable insight to psychologists, psychiatrists, social workers, alternative therapists, and other mental health practitioners, and will also surely be of interest to creative writers, teachers, linguists, and anyone looking to explore the connections between language and healing.
