Beyond the Ice Wall Sep 24
2020 BEYOND the ICE WALL
by C. Z. Vardley Vegetation
killing virus (VKV) has escaped
and is destroying civilization
after 2026 and thus thinning
oxygen from the atmosphere
drastically. Near the end of the
24th Century mankind has long
been totally dominated by a
group called Ultimate Control
Command (UCC). This
organization has forced the
reverse evolution of people
until they are only tiny in body
and without much spirit. They
must breathe through tubes
attached to backpacks, like
ocean divers do today. The
virus can't reproduce in ice, so

the few humans still alive exist behind a high ice wall they've built across southern Alaska and Canada. A few normal sized workers are kept as slaves to maintain the ice wall, until two escape. This starts a chase involving tiny soldiers and a giant robot with polar bears as its trackers. A big flying saucer General Admiral Schnicknalgruten Pavlich commands, while bossing and intimidating everyone, is an important feature of the story. His powers are finally challenged by a totally surprising source and the final fight for the world occurs.

Beyond the Wall Dec 16 2019
About Book "The Universe Is Immeasurable and Infinite, Same Like We Are Also Limitless. We Just Have to See Beyond the Wall and Choose It." Meet, Aarav And Mihira, Who Experiences A Pure Love, But Their Choices Stuck Them. Devansh And Soha, A Passionate Souls. His Passion Holds Him Back in His Career. Behind Ghetto Walls Oct 26 2020

Behind the Wall Oct 14 2019

Of the approximately seven million Palestinian refugees around the world, more than 650,000 are living in camps along the West Bank and Gaza Strip. Having been forced from their homes, either through violence or the threat of it, those living in these camps, Rich Wiles asserts, suffer greatly from Israeli Army incursions, violence, poverty, and desperation--often even more severely than in the surrounding cities or villages. Although much media attention has been drawn to the area's political climate, the stories of its dispossessed people have gone largely underreported. Having spent much of his time

in Palestine since 2003, Wiles offers a glimpse inside the West Bank's refugee camps between 2006 and 2007 through a collection of oral histories, vignettes, and photographic portraits. In these pieces, Wiles recounts conversations with Palestinians of all ages, including survivors of al-Nakba, released child and female prisoners, parents trying to rear their children amid the violence of military occupation, and exiles struggling for the right of return to their original villages. These intimate portrayals not only offer clues to understanding the physical and psychological effects of exile, colonization, and occupation, they also reveal the true Palestinian psyche, one that is at once full of life, love, and strength. Through both written word and photographic image, *Behind the Wall* allows Palestinians to speak for themselves.

Beyond the Wall Sep 17 2022
Includes a chapter entitled Getting Ready for College. This book offers information on

common sensory reactions in an easy to read chart format. It also contains a chapter on the author's public involvement with autism spectrum related issues, including speaking at conferences and advocating for services for those on the spectrum.

The Girl Behind the Wall Jul 23 2020
Antje grew up in East Germany in the 1980s and always had a sense of adventure. After the fall of the German Wall, she could not wait to leave her home and see other places in the world to meet new people and gather different perspectives. Now, she is a wife and mom of two teenagers living in eastern Pennsylvania. As her kids grew up, she realized how important it is to tell her childhood story to them. Not only, because the world she grew up in no longer exists, but also to correct any false impressions they might receive from other people. While writing this book for her children, and talking about her background with coworkers and friends who were captivated by it, she was

determined to share her story with others as well.

The Gate Behind the Wall Jun 02 2021 Samuel Heilman went to Jerusalem as a scholar and found himself walking the ancient streets as a pilgrim, on a quest to overcome his estrangement from Jewish texts and to integrate their meaning into his life.

The Town Beyond the Wall

Apr 19 2020 Michael—a young man in his thirties, a concentration camp survivor—makes the difficult trip behind the Iron Curtain to the town of his birth in Hungary. He returns to find and confront “the face in the window”—the real and symbolic faces of all those who stood by and never interfered when the Jews of his town were deported. In an ironic turn of events, he is arrested and imprisoned by secret police as a foreign agent. Here he must confront his own links to humanity in a world still resistant to the lessons of the Holocaust.

Beyond The Wall Sep 05 2021 In the Society, everyone is

happy. Drea Young has grown up living in the shadow of the wall. Not only does she know there's nothing left beyond it, but she also knows that it's there to protect the citizens of the United Society of the Reestablishment. That doesn't stop her from feeling trapped, though. Why? Everything in her world is perfect. There's no more struggle, no war or crime, no conflict. No choice. Drea has always thought she was alone in her blasphemous thoughts, but then she gets to know Jerrick Carter and realizes she couldn't be more wrong. Quiet and Brooding - and incredibly gorgeous - Jerrick helps her understand not just the world around her, but herself as well, and the more Drea learns about the Society, the more desperate she becomes to break free. But after a lifetime of being controlled, she isn't sure if she's strong enough to leave everything she knows and loves behind...

Behind the Wall: The True Story of Mental Illness as Told

by Parents provides a shared voice for millions of people who advocate for a child or loved one living with mental illness, fosters understanding for society at-large, and delivers an ultimately hopeful read. The seven true stories in this book, told by nine parents, were selected from interviews conducted by sisters Mary and Elin Widdifield, and interwoven with one sister's own experiences. Told with remarkable candor, these stories offer more insight than any single story or academic analysis. When mental illness enters the national discussion, it typically comes in the wake of a violent tragedy, attracting temporary attention and further misunderstanding. Behind the Wall posits that the true story of mental illness can be told most accurately by the people in the trenches: the parents who watched it all unfold.

Banksy: The Man Behind the Wall Jan 09 2022 A fully updated and illustrated edition of the bestselling story of the world's most famous graffiti

artist

Beyond the Red Wall Aug 16 2022 The last general election saw the Conservatives win their highest vote share in forty years, while Labour slumped to their lowest seat total since 1935. At the heart of this electoral earthquake was the so-called 'Red Wall', some sixty seats stretching from the Midlands up to the north of England. Who are the Red Wall voters and why did they forgo their long-standing party loyalties? Did they simply lend their votes to Johnson to get Brexit done - or will he be able to win them over more permanently? And as the Labour Party licks its wounds, how were those votes thrown away and what, if anything, can be done to win them back? And how will the pandemic and the government's reaction to it change the voter's outlook on party politics in the future? Will everything be the same after it has passed? This book sets out to answer those questions by putting them to the people who will decide the next election.

Cracks in the Wall Nov 14 2019

After decades of occupation and creeping annexation, Israel has created an apartheid system in historic Palestine. Peace efforts have failed because of one hard truth: the best Israeli offers do not meet the minimum that a truly free Palestine would require--nor that international law would recognize. There are, however, widening cracks in Israel's traditional pillars of support for this policy, and in this book Ben White lays them out.

Opposition to Israeli policies, he shows, are growing within Jewish communities and among Western progressives, while the rise of populist movements around the world has confused traditional party lines on the question and the Palestinian-led boycott campaign continues to gain momentum. Now, White argues, is the time to plot a course to avoid the mistakes of the past--to create a real way forward, and beyond apartheid, in Palestine.

Behind the Wall Jul 15 2022

Behind the Wall By: Connie Steinman Behind the Wall

follows a diversely populated suburban city high school with underprivileged students who learn life skills, coping skills, and self-reliance through the lessons of Emerson, taught by a teacher who encourages them to look within to persevere and to beat the odds. Connie Steinman connects and inspires James and his friends who are credit deficient to graduate! This is a book about teaching, learning, and self-reliance. It contains a lesson for all of us.

Behind the Bedroom Wall Nov 07 2021 It's 1942. Thirteen-year-old Korinna Rehme is an active member of her local Jungmadel, a Nazi youth group, along with many of her friends. She believes that Hitler is helping Germany by instituting a program to deal with what he calls the "Jewish problem," a program that she witnesses as her Jewish neighbors are attacked and taken from their homes. Korinna's parents, however, are members of a secret underground group providing a means of escape to the Jews of their city. Korinna

is shocked to discover that they are hiding a refugee family behind the wall of her bedroom. But as she comes to know the family, her sympathies begin to turn. When someone tips off the Gestapo, loyalties are put to the test and Korinna must decide what she really believes and whom she really trusts. Filled with adventure, *Behind the Bedroom Wall* helps readers understand the forces that drove so many to turn on their neighbors and the courage that allowed some to resist.

Two Children Behind A Wall

Mar 19 2020 In 1984, Catherine Laylle, a Frenchwoman living in London, met and married a German medical student, Dieter. The couple had two sons, Alexander and Constantin. When, however, at Dieter's insistence, they moved back to his home town in Germany, the marriage began to fall apart. Dieter refused to get a job, Catherine found living with his family oppressive and eventually, she returned to London with the

children. The boys spent term time with their mother, holidays with their father - until the summer of 1994, when Dieter decided that his sons should be raised as Germans and, with the support of the local judge, defied the London court ruling that gave Catherine custody. Catherine went to the courts in London, Germany and the Hague - but it seemed that no court outside the jurisdiction of Lower Saxony would overrule the decision. Today, Alexander is eleven and Constantin is nine. Catherine has barely seen them in the two years since Dieter kidnapped them - and then only under the supervision of one of his friends. This is the harrowing story of a mother's attempts to regain her children, and of her desperate struggle against a tyrannical family and the blind injustice of the courts in Europe.

Shadows Behind the Wall

Feb 27 2021 Chris Montgomery enrolls in the Florida School for the Deaf and the Blind in Saint Augustine, Florida. Suspected of being

involved in a rape and two students deaths, he revisits the school many years later seeking to resolve issues, but finds solace illusionary.

The Dearly Beloved May 21 2020 “This gentle, gorgeously written book may be one of my favorites ever.” —Jenna Bush Hager (A Today show “Read with Jenna” Book Club Selection!) “A thoughtful, beautiful multigenerational novel about love, God, jealousy, and friendship.” —Elizabeth Gilbert, author of *Eat, Pray, Love* “A moving portrait of love and friendship set against a backdrop of social change.” —The New York Times Book Review (Editor’s Choice) “Here is the power of the novel in its simplest, richest form: bearing intimate witness to human beings grappling with their faith and falling in love. That Wall executes it so beautifully? Well, this is exactly why we read literary fiction...The best book about faith in recent memory.” —Entertainment Weekly (A-) Charles and Lily, James and Nan. They meet in Greenwich Village in 1963

when Charles and James are jointly hired to steward the historic Third Presbyterian Church through turbulent times. Their personal differences however, threaten to tear them apart. Charles is destined to succeed his father as an esteemed professor of history at Harvard, until an unorthodox lecture about faith leads him to ministry. How then, can he fall in love with Lily—fiercely intellectual, elegantly stern—after she tells him with certainty that she will never believe in God? And yet, how can he not? James, the youngest son in a hardscrabble Chicago family, spent much of his youth angry at his alcoholic father and avoiding his anxious mother. Nan grew up in Mississippi, the devout and beloved daughter of a minister and a debutante. James’s escape from his desperate circumstances leads him to Nan and, despite his skepticism of hope in all its forms, her gentle, constant faith changes the course of his life. In *The Dearly Beloved*, we follow these two couples through

decades of love and friendship, jealousy and understanding, forgiveness and commitment. Against the backdrop of turbulent changes facing the city and the church's congregation, these four forge improbable paths through their evolving relationships, each struggling with uncertainty, heartbreak, and joy. A poignant meditation on faith and reason, marriage and children, and the ways we find meaning in our lives, Cara Wall's *The Dearly Beloved* is a gorgeous, wise, and provocative novel that is destined to become a classic.

Banksy Nov 19 2022 For someone who shuns the limelight so completely that he conceals his name, never shows his face and gives interviews only by email, Banksy is remarkably famous. From his beginnings as a Bristol graffiti artist, his artwork is now sold at auction for six-figure sums and hangs on celebrities' walls. The appearance of a new Banksy is national news, his documentary *Exit Through the Gift Shop* was Oscar-nominated and people

queue for hours to see his latest exhibition. Now more National Treasure than edgy outsider, who is Banksy and how did he become what he is today? In the first attempt to tell the full story of Banksy's life and career, Will Ellsworth-Jones pieces together a picture of his world and unpicks its contradictions. Whether art or vandalism, anti-establishment or sell-out, Banksy and his work have become a cultural phenomenon and the question 'Who is Banksy?' is as much about his career as it is 'the man behind the wall'. 'Britain's unlikeliest national treasure' Independent 'A fascinating portrait that elicits admiration for a man who, despite his increasingly unconvincing efforts to retain some shred of his vandal status, has had an undeniable impact on art' The Times

Beyond the Wall Dec 08 2021 *Beyond the Wall* is the first book, in either English or German, to tell the whole story of the extraordinary revolution that demolished the Berlin Wall, ended the Cold war, and

tore apart the Soviet regime. Elizabeth Pond, former Moscow and European correspondent for the Christian Science Monitor, was an eyewitness to the dramatic events of 1989-92 and to the fifteen years of relations between Germany and Eastern Europe leading up to them. Pond weaves together in riveting prose the strands of events that are usually recounted separately. Rather than looking just at the East German revolt or the process of unification that created a new nation, she traces the interaction of these events and their diplomatic consequences for Europe. Pond shows the political, economic, and social forces at work--leading up to the unification, during the transition process, and in the aftermath. Looking at the European framework, she explains how significantly the European Community and its move toward integration both affected and were affected by German unification. The book contains a wealth of new information from hundreds of

interviews with top German and American policymakers, East German Politburo members and average German citizens. It also incorporates up-to-date research on such topics as the Stasi secret police and the midlife crisis of the German left. Pond concludes with an assessment of the roles of the United States and a unified Germany in the new Europe. Calling for a continued partnership between the United States and Germany, who "have come through a common baptism of fire since the fall of the Berlin Wall," Pond casts an optimistic eye toward the future.

The Girl Behind the Wall

Feb 22 2023 "A poignant, tender story of families and sisters divided by the cruelty of political chance--my heart ached for them on every page." Kate Quinn, New York Times bestselling author of The Alice Network

Mystery Behind the Wall May

01 2021 When the Boxcar Children find a mysterious journal hidden behind the wall of the guest room, it leads

them on a search for a valuable coin collection. But what happened to the journal's owner, and what is she trying to tell them?

Beyond the Wall Jun 14 2022

The story of a runaway slave girl and her dangerous journey through the murky underworld of Roman Britain, by Carnegie Medal-winning author Tanya Landman. From Tanya Landman, author of the 2015 Carnegie Medal winner *Buffalo Soldier*, comes a heart-stopping tale of love, corruption and the power of choice. Blood on her lips. Blood on her tongue. Blood that is not her own. Cassia does not fear to die, but for her - for a slave who has maimed her master - there are worse things than death. Yet the mighty Roman Empire has its limits. Beyond her master's estate, beyond the river, far to the north stands Hadrian's Wall. And beyond the wall? Freedom. With dogs on her trail and a bounty on her head the journey seems impossible. But then Cassia meets Marcus - slick, slippery, silver-tongued - a true and perfect son of Rome.

And her only hope.

Life Behind the Wall Jan 21

2023 Cut off by the Iron Curtain This epic tale extends across generations and unfolds against the backdrop of a dangerous Cold War Berlin.

This historically accurate, action-packed, three-books-in-one edition features three generations of resourceful teens living in the shadow of the Berlin Wall. Titles include: *Candy Bombers* In spring 1948, teenage cousins Erich and Katarina are simply trying to survive in war-ravaged Berlin when the Soviets blockade the east side of the city, isolating its citizens--and starving them--behind the Iron Curtain. *Beetle Bunker* In August 1961, Sabine discovers a forgotten underground bunker. Though she first uses it to escape her crowded home, she soon realizes her hideout could possibly take her family under the wall to West Berlin and freedom *Smuggler's Treasure* In spring 1989, life is good in West Germany, and even the Cold War seems to be thawing in the warmer weather. But as

Liesl works on a class project about the history of the wall, she stumbles onto a startling secret no one will talk about. *The Boy Behind the Wall* Dec 20 2022 Soon after moving to West Berlin for his US diplomat father's work, Harry Rogers witnesses the shooting of a boy trying to escape into the West over the Wall. In East Berlin, Jakob is the adopted son of a high up Stasi officer, Hans Eberhardt. The two boys become pen pals with a dangerous plan...

Pink Floyd Jun 21 2020
DIVWith a music career spanning nearly half a century, Pink Floyd is one of the most successful rock bands in history. With more than 250 million album sales to their credit, the band remains hugely popular worldwide. Both Rolling Stone and VH1 have named Floyd one of "The 100 Greatest Artists of All Time," and they continue to attract new legions of fans every single year. They were inducted in the Rock and Roll Hall of Fame in 1996 and the UK Music Hall of Fame in

2005. Their 2011 "immersion" box sets for their classic *Dark Side of the Moon* and *Wish You Were Here* albums were met with unanimous critical acclaim and prolific press. The *Wall Live* concert tour featuring Roger Waters was the second highest grossing concert tour in North America in 2010 (over \$89.5 million dollars) and the sixth highest in the world. /divDIVIn this, the first complete illustrated history of Pink Floyd from 1965 through today, author and journalist Hugh Fielder gets "behind the wall" and recounts the band's entire history, analyzes their recordings, and provides a complete discography. Readers will discover stories behind the band's formation, recordings, and tours, as well as the bitter disputes, both public and private. Complemented with more than 250 images, including live performance and candid off-stage photographs, as well as rare memorabilia like gig posters, concert tees, picture sleeves, backstage

passes, buttons, and ticket stubs, this is the book that every Floyd fan will want on their shelf./div

Behind the Berlin Wall Jul 03

2021 Few historical changes occur literally overnight, but on 13 August 1961 eighteen million East Germans awoke to find themselves walled in by an edifice which was to become synonymous with the Cold War: the Berlin Wall. This new history rejects traditional, top-down approaches to Cold War politics, exploring instead how the border closure affected ordinary East Germans, from workers and farmers to teenagers and even party members, 'caught out' by Sunday the Thirteenth. Party, police, and Stasi reports reveal why one in six East Germans fled the country during the 1950s, undermining communist rule and forcing the eleventh-hour decision by Khrushchev and Ulbricht to build a wall along the Cold War's frontline. Did East Germans resist or come to terms with immurement? Did the communist regime become

more or less dictatorial within the confines of the so-called 'Antifascist Defence Rampart'? Using film and literature, but also the GDR's losing battle against Beatlemania, Patrick Major's cross-disciplinary study suggests that popular culture both reinforced and undermined the closed society. Linking external and internal developments, Major argues that the GDR's official quest for international recognition, culminating in Ostpolitik and United Nations membership in the early 1970s, became its undoing, unleashing a human rights movement which fed into, but then broke with, the protests of 1989. After exploring the reasons for the fall of the Wall and reconstructing the heady days of the autumn revolution, the author reflects on the fate of the Wall after 1989, as it moved from demolition into the realm of memory.

The Wall Dec 28 2020 A NEW YORK TIMES BEST SELLER "I was born at the beginning of it all, on the Red side—the Communist side—of the Iron

Curtain." Through annotated illustrations, journals, maps, and dreamscapes, Peter Sís shows what life was like for a child who loved to draw, proudly wore the red scarf of a Young Pioneer, stood guard at the giant statue of Stalin, and believed whatever he was told to believe. But adolescence brought questions. Cracks began to appear in the Iron Curtain, and news from the West slowly filtered into the country. Sís learned about beat poetry, rock 'n' roll, blue jeans, and Coca-Cola. He let his hair grow long, secretly read banned books, and joined a rock band. Then came the Prague Spring of 1968, and for a teenager who wanted to see the world and meet the Beatles, this was a magical time. It was short-lived, however, brought to a sudden and brutal end by the Soviet-led invasion. But this brief flowering had provided a glimpse of new possibilities—creativity could be discouraged but not easily killed. By joining memory and history, Sís takes us on his

extraordinary journey: from infant with paintbrush in hand to young man borne aloft by the wings of his art. This title has Common Core connections. *The Wall* is a 2007 New York Times Book Review Best Illustrated Book of the Year, a 2008 Caldecott Honor Book, a 2008 Bank Street - Best Children's Book of the Year, the winner of the 2008 Boston Globe - Horn Book Award for Nonfiction, and a nominee for the 2008 Eisner Award for Best Publication for Kids.

Behind the Wall May 13 2022
Of the approximately seven million Palestinian refugees around the world, more than 650,000 are living in camps along the West Bank and Gaza Strip. Having been forced from their homes, either through violence or the threat of it, those living in these camps, Rich Wiles asserts, suffer greatly from Israeli Army incursions, violence, poverty, and desperation—often even more severely than in the surrounding cities or villages. Although much media attention has been drawn to the area's

political climate, the stories of its dispossessed people have gone largely underreported. Having spent much of his time in Palestine since 2003, Wiles offers a glimpse inside the West Bank's refugee camps between 2006 and 2007 through a collection of oral histories, vignettes, and photographic portraits. In these pieces, Wiles recounts conversations with Palestinians of all ages, including survivors of al-Nakba, released child and female prisoners, parents trying to rear their children amid the violence of military occupation, and exiles struggling for the right of return to their original villages. These intimate portrayals not only offer clues to understanding the physical and psychological effects of exile, colonization, and occupation, they also reveal the true Palestinian psyche, one that is at once full of life, love, and strength. Through both written word and photographic image, *Behind the Wall* allows Palestinians to speak for themselves.

Behind the Walls Jan 29 2021
An account of the Holocaust experiences of Chanah Kaufman (née Zucker), born in 1929 to an Orthodox Jewish family, related from the viewpoint of the young girl that she was at the time. In Brussels, her parents paid a non-Jew to hide Chanah in her basement. Subsequently she was taken to the Misericorde convent in Leuven, where she and other Jewish girls were hidden throughout the war. The nuns pressured her to convert, convincing her that otherwise the Nazis might kill her along with those who gave her shelter. However, inwardly she always remained Jewish. When the war ended, the nuns did not inform their wards, hoping that the Jewish children they saved would remain Catholics. Chanah was eventually taken to a Jewish orphanage, the Tiefenbrunner Home. Her parents and brother did not survive. She immigrated to Israel after the war. An appendix on pp. 322-344 discusses the role of the general and Jewish

undergrounds in Belgium in hiding Jewish children and returning them to their people after the war.

Roger Waters Mar 31 2021 To some, he is the face behind classic Pink Floyd. To others, he is the temperament behind some of the greatest albums of the rock era. And to others still, he is one of the most original songwriters of a generation that overflows with notable talent. To all, he is an enigma: a rock star who not only eschewed stardom but also spent much of his career railing against it. But to call Roger Waters a mass of contradictions is simply taking the easy way out. He is so much more than that. **Roger Waters: The Man Behind the Wall** is the first full biography of the author of *The Dark Side of the Moon*, *Wish You Were Here*, and, of course, *The Wall*. It traces his life from war-torn suburbia to the multitude of wars he has fought since then – with his bandmates, with his audience, and most of all with himself. Packed with insight and exclusive interviews with

friends and associates, **Roger Waters: The Man Behind the Wall** dismantles the wall brick by brick, revealing the man who built it in all his glory.

Behind the Attic Wall Mar 11 2022 Twelve-year-old, withdrawn Maggie Turner goes to live in her great-aunts' enormous stone house and is drawn into the attic world of two antique dolls and their china dog

Beyond the Great Wall Aug 24 2020 Collects recipes from in and around China including Hani chile-garlic paste, ham sesame coils, Lhasa beef and potato stew, and tomato bell pepper salad.

Depeche Mode: Monument Jan 17 2020 An unprecedented collection of artefacts presented together for the first time, this volume offers extensive information, background facts, and anecdotes that will cater to both newcomers and die-hard Depeche Mode fans alike. This book contains: information on all of the band's releases from 1981 to 2017; over a thousand images, including never-before-

seen photos, concert posters, and album artwork; a special look at fan culture; interviews with stage managers, friends, producers, tour companions, radio hosts, and fans; and so much more.

From Behind the Wall Oct 06 2021 In this collection of wise and fiercely poignant essays, Frazier reveals the wages of racism and its lingering effects within the very system of justice commissioned to eradicate it. He guides readers through the nation's less hospitable regions, offering reasoned solutions to the problems accounting for our seemingly unstoppable spiral toward inner-city anarchy.

Behind the Berlin Wall Aug 04 2021 On 13 August 1961 eighteen million East Germans awoke to find themselves walled in by an edifice which was to become synonymous with the Cold War: the Berlin Wall. Patrick Major explores how the border closure affected ordinary East Germans, from workers and farmers to teenagers and even party members, 'caught out' by

Sunday the Thirteenth.

Beasts Beyond The Wall Feb 10 2022 In the dog days of Rome, a mission to the edge of the world... Drust and Kag, two ex-gladiators, are met with an unusual request. Powerful Servilius Structus sends them deep into Scotland, land of the Caledonii, to find and secure a woman and her young son. Accompanied by a crew of fellow rogues, they will risk everything on an insane quest and a daring escape. With decadence and corruption in the air, the consequences of their failure are immeasurable, for the Empire itself is at stake. A searing, blood-soaked historical adventure, perfect for fans of Giles Kristian, David Gilman and Conn Iggulden. Praise for Rob Low 'An epic tale of hardship, triumph, betrayal and brotherhood' S. J. A. Turney

Behind the Wall Apr 12 2022 Well-known travel writer, Thubron here describes his experiences on a journey through China. His most recent travel book is *To the Last City*.

Beyond the Wall Nov 26 2020

Shortly after the Berlin Wall was dismantled in 1989, photographer Simon Marsden and author Duncan McLaren embarked on a journey of discovery through the former Communist State of East Germany, aiming to capture on film this 'lost world' that had remained hidden from the eyes of the West for almost half a century. Their travels took them through each of the five states, from the environs of Berlin into Dresden and the countryside close to the Czechoslovakian and Polish borders. Simon's stunning and moving pictures reveal a magnificent past, much of which now lies in ruins - palaces, castles, abbeys, statues and follies that have all survived the ravages of the Second World War and the ensuing neglect of over forty years. Beautiful and awe-inspiring, BEYOND THE WALL is a unique and historic photographic collection which will be published to coincide with the 10th anniversary of the dismantling of the Berlin Wall.

The Ghost Behind the Wall Oct 18 2022 Twelve-year-old David spends a lot of time by himself and when he begins to explore the ventilation pipes in his apartment building he disturbs something that would have been better left alone.
