**Prepare! is a lively 7-level general English course with
comprehensive Cambridge English for Schools exam
preparation integrated throughout. This flexible course brings
together all the tools and technology you expect to get the**

results you need. Whether teaching general English or focusing on exams, **Prepare!** leaves you and your students genuinely ready for what comes next: real Cambridge English exams, or real life. The **Level 6 Student's Book** engages students and builds vocabulary range with motivating, age-appropriate topics. Its unique approach is driven by cutting-edge language research from English Profile and the Cambridge Learner Corpus. 'Prepare to...' sections develop writing and speaking skills. A **Student's Book and Online Workbook** is also available, separately. **Penguin Readers** is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of **Penguin Readers** follow the **Common European Framework of Reference for language learning (CEFR)**. Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. **The Turn of the Screw**, a **Level 6 Reader**, is **B1+** in the **CEFR** framework. The longer text is made up of sentences with up to four clauses, introducing future continuous, reported questions, third conditional, was going to and ellipsis. A small number of illustrations support the text. A young woman accepts her first job as a governess and goes to **Bly**, a large country house in England. There she teaches a young brother and sister. But the governess soon starts to see ghosts and tries to protect the children from them. Visit the **Penguin Readers website Register** to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook). **Huxley's** story shows a futuristic **World State** where all emotion, love, art, and human individuality have been replaced by social stability. An ominous warning to the world's population, this literary classic

is a must-read. Deadly outbreaks of diseases make headlines, but not at the start. Every pandemic begins small, subtle, and in faraway places. When it arrives, it spreads across oceans and continents, like the sweep of nightfall, killing millions, or even billions. **BE PREPARED TO GET VERY, VERY PARANOID.** A new post apocalyptic medical thriller fiction series from author Bobby Akart (The Blackout Series, The Boston Brahmin series and the Prepping for Tomorrow series). The events depicted in The Pandemic Series are fictional. They are, however, based upon historical fact.

IN BEGINNINGS, book one of The Pandemic Series, a deadly strain of the plague bacterium has been introduced across the globe by ISIS terrorists who are waging the mother of all wars - the final jihad. Dr. Mackenzie Hagan, a disease detective and epidemiologist at the CDC-Atlanta and Nathan Hunter, an off-the-books operative for the mysterious Project Artemis within the Department of Defense, join forces to both identify the disease, but also to locate its source. In **THE INNOCENTS**, book two of The Pandemic Series, ISIS terrorists continued to wage the Final Jihad, infecting innocent people around the world. The highly contagious form of the plague has been genetically modified - to be the perfect killer. In **LEVEL 6**, book three of The Pandemic Series, the pandemic has hit a brick wall, but not because it's burned itself out. Rather, it's running out of victims. Social distancing is the only way to avoid a gruesome fate. Unfortunately, in a dystopian world where resources are scarce and scavenging is a way of life, every moment away from where you live could result in your death from either the disease, or your fellow man. This is an ingenious, inventive post-apocalyptic thriller about the threats we face from a global pandemic, and the use of infectious diseases by terrorists as they wage jihad around the world. Drawing on his unique talent to place the reader in a post-apocalyptic world, Bobby Akart delivers an explosive page-turner that has you wondering - will there be a last patient? Note: The Pandemic Series does not contain strong language. It is intended to entertain and inform audiences of all ages, including teen and young adults. Although some scenes depict the realistic threat our nation faces from a worldwide pandemic, and the societal

collapse which will result in the aftermath, it does not contain graphic scenes typical of other books in the post-apocalyptic genre. I believe more of our young people need to lead a preparedness lifestyle. Studies show that our millennials do not have any of the basic survival skills. By writing this series free of vulgarities and gratuitous sexual innuendo, I've intended it to be suitable for everyone. Thanks.

SPECIAL DEDICATION

Finally, the Pandemic series is dedicated to the disease detectives, the shoe-leather epidemiologists of the CDC's Epidemic Intelligence Service, who work tirelessly to keep these deadly infectious diseases from killing us all. They are selfless, brave warriors, risking their lives and the loss of their families in order to fight an unseen enemy more powerful than any bomb. Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. Dubliners, a Level 6 Reader, is B1+ in the CEFR framework. The longer text is made up of sentences with up to four clauses, introducing future continuous, reported questions, third conditional, was going to and ellipsis. A small number of illustrations support the text. In these stories, Joyce describes the lives of ordinary Dubliners. Their lives are not always easy, and they have problems with their families. They were the

people who Joyce grew up with and he knew them very well. Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook). They said Steve Biko was a man of violence; then why did he talk of peace? They said he wanted revolution; so why did he talk of friendship? They said he died of hunger; why was his body broken and bruised ? This is the story of a man's fight with the government of South Africa. It is the story of all people who prefer truth to lies. It is the story of all people who cry 'Freedom', and who are not afraid to die. Aim High will help your students succeed as language learners in the classroom, with their homework and also, in exams. How will it do this? It builds students' vocabulary knowledge through a structured and progressive approach. What does this mean? There are over 50 active vocabulary items in each unit, including words from the Oxford 3000™. Students learn the meaning of new words but they also learn how and when to use them for themselves. And these are not just useful, everyday words. They're also introduced to expressions, idioms, phrasal verbs, and so on. Essential language for communicating well in English. As a teacher you'll want to help your students become autonomous learners. In Aim High there are lots of opportunities to prepare for this. In the Student's Book there's a 'Dictionary Corner', with exercises to help them towards learner autonomy. With the self-check and review boxes they can see how they're progressing for themselves. A Grammar Reference and Grammar Builder bring together all the grammar and vocabulary for the unit. These allow students to look back over grammar points and review what they have learned. Help your students make those vital two levels of progress in Reading and Writing with this new KS3 series from Collins. Each book concentrates on moving students up one level in reading or writing, covering each of the Assessment Focuses in turn. These brand new books offer student-friendly explanations and activities to build, develop and extend students' literacy skills, showing them precisely what they need to do to make progress. Whether you're looking for a one-

off lesson, snappy starters or a longer programme of study, these flexible resources are designed to fit around the needs of your teaching and your classes. Aiming for Level 5 Writing will help you to

- * Target areas of underperformance, with a chapter on each Assessment Focus and support at the right level written by experienced teachers and consultants.
- * Explain, build and develop the essential writing skills for this level, with clear, accessible explanations, inspiring examples and lively follow-up activities.
- * Motivate and engage students, with exciting stimulus texts, fresh approaches to learning and a colourful, magazine-like layout.
- * Embed Assessment for Learning in your day-to-day teaching, with clear learning objectives, criteria for self and peer assessment on every double-page, and end of chapter Level Boosters to help students understand how to progress.
- * Gather evidence for your periodic APP assessments, with longer tasks flagged up throughout as APP opportunities.
- * Plan ahead without the stress, with ready-to-use double-page lessons and a teacher guide at the back of the book. Plus, get your students ready for Functional Skills! These books will help you build the foundations for success in the new KS4 qualification.

The epic story of a world at war - and a life worth fighting for. June 6, 1944. Military forces converge on the beaches of Normandy for one of the most decisive battles of World War II. America would call it a victory. History would call it D-Day. For Captain John Miller and his squad, this

day would become much more. Washington has sent them on a mission. One paratrooper missing in action. One soldier who has already lost three brothers in the war. They quickly realise this is not a simple rescue operation. It's a test of their honor and their duty. Confident in learning. Confidence in life. Power Up is a brand new course from the bestselling author team of Caroline Nixon and Michael Tomlinson. It provides the perfect start to life's great adventure, creating 'future ready' learners who embrace life with confidence. Meet vibrant characters who students will love; foster collaboration through real-world missions; deepen learners social and cognitive skills; explore embedded exam preparation; and expand the skill-set ensuring everyone reaches their full potential. Level 3 and 4 of a 6 levelled new course that includes rich international content to teach reading comprehension, writing and speaking and listening skills to first and second language learners. Step-by-step teaching scaffolding, clear learning objectives and assessment criteria ensures a consistent approach to language and literacy lessons throughout the whole of primary to ensure students' progress quickly. The student book is supported by a Workbook which offers students language practice and offers a record of their progress. Digital and audio versions of all the text extracts from the Student Book can be found in an accompanying Teacher Resource Book which provides step-by-step guidance on delivering effective lessons and assessing pupils progress to ensure core skills are taught in a consistent way. National Geographic Face to Face Readers is a high-interest series of books for confident, independent readers that have been adapted to a Key Stage 2 audience by education experts. The books pair magnificent National Geographic photographs with lively first-person text and fascinating facts about the natural world. National Geographic Face to Face Readers is a high-interest series of books for confident, independent readers that have been adapted to a Key Stage 2 audience by education experts. The books pair magnificent National Geographic photographs with lively first-person text and fascinating facts about the natural world. Students will enjoy interactive, personalised lessons with themes and resources relevant to their interests. The new Life Skills approach inspires learners to expand their horizons and knowledge and includes insights from The Cambridge Framework for Life Competencies. Teachers can relax knowing every unit drives students towards exam success and that the

course is creating confident English users with the enhanced vocabulary and grammar syllabus. A Student's Book and Online Workbook is also available, separately. Specially developed to enhance children's vocabulary alongside their decoding skills, these books are perfect for sharing. This pack includes 4 Partner Texts and 4 books for children to read to an adult. This pack contains 1 copy of each of the 8 titles at Oxford Level 6.

"I have a story to tell you," he said. "But I must not be interrupted. You must let me explain it all from the beginning to the end. Do you understand?" On a dark night, a man tells a story that seems too fantastical to be true. He claims to have travelled through time, in a machine he has built. His journey has taken him to a mysterious land filled with strange inhabitants, and a dark underworld filled with terrible creatures. Will the Traveller's listeners believe him? Will you?

The Time Machine is part of the Reading Planet range of books for Stars (Lime) to Supernova (Red+) band. Children aged 7-11 will be inspired to love reading through the gripping stories and fascinating information books created by top authors. Reading Planet books have been carefully levelled to support children in becoming fluent and confident readers. Each book features useful notes and questions to support reading at home and develop comprehension skills. Reading age: 9-10 years

Cambridge English Readers is an exciting new series of original fiction, specially written for learners of English Graded into six levels - from elementary to advanced - the stories in this series provide easy and enjoyable reading on a wide of range of contemporary topics and themes. One of six of the original Owls stories from Oxford Reading Tree series republished in larger format, with questions at the end, and Magic Key branding, to coincide with the launch of the TV series. Using an inquiry-based approach to learning, Oxford Discover develops the communication skills and thinking skills students need for success in the 21st century. Who are your family and friends? Where can we see colors? How can we make music? Oxford Discover uses Big Questions such as these to tap into students' natural curiosity. It enables them to ask their own questions, find their own answers, and explore the world around them. This approach to language learning and

literacy, supported by a controlled grammar and skills syllabus, helps students achieve near-native fluency in English. Oxford Discover gives teachers the tools to develop children's 21st century skills, creating young thinkers with great futures. Use with Show and Tell as part of 9-level course. Oxford Read and Imagine graded readers are at eight levels (Starter, Beginner, and Levels 1 to 6) for students from age 4 and older. They offer great stories to read and enjoy. Activities provide Cambridge Young Learner Exams preparation. At Levels 1 to 6, every storybook reader links to an Oxford Read and Discover non-fiction reader. The first six Oxford Read and Imagine readers are publishing in January 2014, with more soon - teacher support materials and more information to follow. Audio in a choice of American and British English is available for every reader. At Levels Starter and Beginner, this audio is free to download from below for Oxford Teachers' Club members, or from the Student's Site at www.oup.com/elt/readandimagine. At Levels 1 to 6, audio is available in CD packs for every reader. Project X Hero Academy is a fully decodable and finely levelled reading series set in a school for superheroes, designed to captivate and motivate all young readers and turn them into reading superheroes. This class pack contains the books in Gold Book Band, Oxford Level 9, and supports Letters and Sounds Phase 6. It contains six copies of each of the following six books: The Champion's Cup, Super Coldo's Revenge, Night Rescue, The Pea-souper, False Alarms, Silver Shadow Strikes Again. Each book can be used for independent reading, but also contains inside cover notes that include help on developing vocabulary and prompt questions that can be used for guided reading and one-to-one sessions. Full guided reading notes are provided in the corresponding handbook. There are also a range of follow-up activities to support reading for pleasure. Penguin Readers is an ELT graded reader series for learners of English as a foreign language. With carefully adapted text, new illustrations and language learning exercises, the print edition also includes instructions to access supporting material online. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to

bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. One of Us Is Lying, a Level 6 Reader, is B1+ in the CEFR framework. The longer text is made up of sentences with up to four clauses, introducing future continuous, reported questions, third conditional, was going to and ellipsis. A small number of illustrations support the text. A geek, a jock, a criminal, a princess. A murder. Everyone has secrets. How far would you go to protect yours? Five students at Bayview High must stay late at school but only four of them leave alive. Bronwyn, Cooper, Nate and Addy all become suspects in a murder. Who do you believe? Visit the Penguin Readers website Exclusively with the print edition, readers can unlock online resources including a digital book, audio edition, lesson plans and answer keys. Read With Biff, Chip and Kipper Level 6 First Stories have been specially written to practise reading a range of everyday words and to build children's confidence and enjoyment of reading. These four engaging Biff, Chip and Kipper adventures include tips for reading together and talking about the story, puzzles and fun activities. Cat and Tiger are mistakenly thrown into the bin while munching on a big piece of apple pie in In the Bin. How will they escape? This book is part of Project X Origins, a ground-breaking guided reading programme for the whole school. The Girl on the Train, a Level 6 Reader, is B1+ in the CEFR framework. The longer text is made up of sentences with up to four clauses, introducing future continuous, reported questions, third conditional, was going to and ellipsis. A small number of illustrations support the text. National Geographic Face to Face Readers is a high-interest series of books for confident, independent readers that have been adapted to a Key Stage 2 audience by education experts. The books pair magnificent National Geographic photographs with lively first-person text and fascinating facts about the natural world. Take a trip to the African bush with experienced nature

photographers and get up close and personal with the largest land animals on Earth. Written in an engaging and fun to read format, the captivating photos and fascinating facts are perfect for encouraging the future explorers and researchers of tomorrow! Level 6 readers are ideal for kids who are very confident in reading independently and ready to challenge themselves with a wide variety of sentence structures and writing styles, a range of new technical vocabulary and the need for more complex inference. Gateway Level 6 Teacher's Book Gateway is a lively six-level series for children between the ages of six and twelve. It has a clear functional and grammatical syllabus that provides students with a framework within which to learn real-world English. Its gradual progression enables the students to build confidence in the four language skills and fosters thinking and reflection. It combines language and skills training with links to other areas of the curriculum, such as math, science and civic and moral values. Gateway takes students from CEF A1 to an early B1 level. At the higher level of the series, there is an emphasis on writing and ESOL-oriented skills. Key Features Lively, student-centered activities Puzzles and games Songs and chants Functional grammar practice Texts relevant to the students' lives Age-appropriate writing activities Accompanying Course Book and Activity Book also available. Book 4 includes the use of triad inversions in sight-reading exercises, clapping exercises notated as melodies, key signatures of up to four sharps and flats, and 6/8 meter. Beautiful world photography, captivating real-life video and interest-grabbing CLIL topics take young learners on a remarkable journey to explore the world as they learn English. Are you ready to explore? Why do whales jump out of water? What makes our bodies move? Guess What! is a six-level course that invites children to explore the world through engaging facts, amazing photography and captivating video. The highly photographic Pupil's Book Level 6 brings lessons to life with engaging characters, topics that spark children's curiosity, and a wide variety of activities, including humorous contextual dialogues, songs, chants, games, stories illustrating social values, functional dialogues, and role play. There are plenty of

opportunities for developing children's thinking skills and their knowledge of other subjects in the CLIL lessons. When a dog chases him, Fox runs to the river and hides. In the early 1990s, Katy, a young reporter, arrives in Sarajevo, a city under siege. "This is not my war or your war," a journalist explains. "We just report what we see, but we stay outside it. We mustn't get too near." But Katy does get too near and discovers the beauty and power of true hope, even in the brutal reality of war. The Stage 6 Biff, Chip and Kipper Stories, written by Roderick Hunt and illustrated by Alex Brychta, provide a rich story context to help develop language comprehension and decoding skills. Stories, More Stories A and More Stories B involve familiar situations and a variety of fantasy settings through the magic key adventures. The new-style inside cover notes provide advice and support to help adults read and explore the story with the child, supporting their decoding and language comprehension development. Each pack of 6 includes a Group/Guided Reading Notes Booklet with a Vocabulary Chart listing high frequency tricky words and a Curriculum Coverage Chart for England, Scotland, Northern Ireland and Wales. Each story has individual notes and suggested activities for Group and Independent Reading, Speaking, listening and drama and Writing, with each section showing the relevant objectives covered. Decoding and Language Comprehension opportunities are highlighted throughout. Extensive reading is essential for improving fluency and there is a real need in the ELT classroom for contemporary, low-level reading material for younger learners. Mr Bean is popular with children around the world for his eccentric and hilarious behaviour. Mr Bean: A Day at the Beach is based on an episode from the animated television series.
